If you have any requests/articles/information to give the members please contact me.

As you can see the Hareline is published for the year. To complete it, we do need to have your venues as soon as possible **especially** for the coming runs 143-150. However I would like **ALL** sooner rather than later. We also have a gap on August 6th. Can we have a volunteer to fill this space otherwise we will have to move everyone forward one week to fill the gap.

***No you haven't missed a newsletter!!!!!!!!!!!!!! Somehow the numbering got a little confused and we had 2 newsletters 130. Today the numbering is back in order. You should rename your copies if you want to maintain sequence.

We did not have a circle this week but what we did have was a very lovely evening of social interaction and relaxation!! Have a look at the pictures!! Just what the doctor ordered!!!!

Before I left for vacation I was with Doreena on a Pi run when she tripped and broke her tibia and fibula of her left leg. She was hospitalised for 3 weeks and now has some metalwork in her

to keep it together. We are all very glad to see her up and around again. Let's hope it is not too long before she is fully active once more.

Tiger Samy has announced that he is throwing a party to celebrate his 50th birthday. It is after a Pi run on the 20th June. If you cannot make the run, please come for the party, 7.00pm at the Indian Rovers Club.
