As you can see the Hareline is published for the year. To complete it, we do need to have your venues as soon as possible especially for the coming runs 147-156. However I would like ALL sooner rather than later. PLEASE LET ME HAVE YOUR VENUES!!!! PLEASE PLEASE PLEASE!!!

If you have a problem setting your run please contact a member of the committee. I have the hash paper please let me know if you need it!

Don't forget Samy's 50<sup>th</sup> birthday party at Indian Rovers Club 20<sup>th</sup> June 2009.

Angelique's farewell dinner will be on Friday the 19th June at White Beach Restaurant. Cost for dinner RM 45 per person. Bring your own drinks or buy beer at White Beach. Tell and pay Spiky Annie or Bibi Tulips if you are coming. Before Thursday please.

After the run last week Lucas (Grasshopper) met with an accident and ended up hospitalised for at least a week. Fortunately the damage was not life threatening but was extremely painful for him. Torn ligaments in his shoulder and a cracked rib! "It only hurts when I laugh or sneeze" he told us when we visited. We are all glad this accident was not so serious and we all wish him well for a speedy and full recovery. We do not want more accidents after our runs so please be careful on your way home!!

Please note the email address has been changed. See top of newsletter for the new address!!

Unfortunately the Hash Flash could not attend the run on the night so there were no pre-run or post run pictures this week. However some photos were gathered during the setting, which shows how are intrepid hares faired along the way and some great panoramic views of Penang.

We all thank Rosie (Rambo) and Toddy Tan for both the run and the food.

Come and join in on our next run and have some GREAT fun!!

## ***Funny Stuff!!!!***

A professor at University of Arkansas was giving a lecture on the supernatural.

To get a feel for his audience he asks, "How many people here believe in Ghosts?"

About 90 students raised their hands. "Well, that's a good start. Out of those of you who believe in ghosts, do any of you think you have seen a ghost? "

About 40 students raise their hand.

"That's really good. I'm really glad you take this seriously. Has anyone here ever talked to a ghost?"

About 15 students raise their hands. "That's fantastic! Now let me ask you one question further. Have any of you ever made love to a ghost?"

Way in the back, Bubba raises his hand.

The professor takes off his glasses, and says "Son, in all the years I have been giving this lecture, no one has ever claimed to have made love to a ghost. You've got to come up here and tell us about your experience! "

The big redneck student replied with a nod and a grin, and began to make his way up to the podium.

When he reached the front of the room, the Professor asks, " So Bubba, tell us what it's like to have sex with a ghost?"

And to which Bubba replied... "Shiiiiit, from way back there I thought you said goats!!"
