[Tales from the Run](#)

A lovely evening saw 43 members and 1 guest assemble at Charlie Market for Whatever's run. However the bunny was MIA as she was very sick in bed and hence it was her look-alike Goodyear who (along with 3 other co-hares) had set the run that day and gave the waiting hashers the misdirections.

As usual some of the hashers got lost, some did not find paper (although there was quite a lot around) but the most interesting point was that Sheila Majid was the leading FRB and the usual FRB's Cumming Soon, Speedhound came in at the back!!! Nice to see them confused for once!!!!!!!!!!!!!!!!!!!!!!

Everyone was out before the real darkness set in and a lovely social atmosphere descended on the throng, as good food and even better beverage was taken by all around.

Many thanks Gracie 'Whatever' for the arrangements. It was a great pity you could not be around to enjoy it. We all hope you recover very soon.

If you have a problem setting your run please contact a member of the committee. I have the hash paper, please let me know if you need it!

We understand that Speedhound's mother has been hospitalised this week. We certainly hope that it is not too serious and she recovers very soon.

At the time of going to press we understand Gracie is on the road to recovery. This is great news and we look forward to seeing her again shortly.

It was great to see Richard back at the Hash after his traumatic experience a couple of months ago. It would certainly have put a lot of other people off hashing but Richard was raring to go on Thursday. Welcome back Richard, it is wonderful to see you again.

It was a double celebration for the Jones'. Not only was Richard back in action but a couple of days before it was Rose's birthday. Happy Birthday Rose!

A belated Happy Birthday also goes out to Sex Bitch whose birthday we missed. Sorry about that Linda but please accept our sincere good wishes.

Come and join in on our next run and have some GREAT fun!!

Funny Stuff!!!!

COUNCIL TAX RE-VALUERS – ENGLAND!

Council tax re-valuers want to charge us more if we live in a nice area. That ought to mean discounts for those of us who live in rough areas.

We have a huge council house in our street. The extended family is run by a grumpy old woman with a pack of fierce dogs.

Her car isn't taxed or insured, and doesn't even have a number plate but the police still do not do anything about it.

Her bad tempered old man is famous for upsetting foreigners with racist comments. A shopkeeper blames him for ordering the murder of his son but nothing has been proved yet.

All their kids have broken marriages except the youngest, who everyone thought was gay.

Two grandsons are meant to be in the Army but are always seen out in nightclubs. The family's odd antics are always in the papers. They are out of control.

Who'd live near Windsor Castle?

(For those of you who are scratching their heads, Windsor Castle is another home (yes, another one) of the Queen!!)
