## Newsletter 1960

### *GM'S notes*

Hi Everyone,

Well Thursday is definitely turning into party night- hooray!!! The hosts provided tables and chairs and canvas erections so a very civilized evening ensued. 41 hashers and three guests – Golden Cock, Bend Over and Tin-Tin attended the birthday bash outside Jude's house. Welcome to Angie and Colleen who became members last night. After their run, FTAC joined in for the food and party.

Because the location was in Scotland Villa area the hare chose to make it a Kampong run. So we followed paper strips and red arrows sprayed onto the road. The hare – Grasshopper told us there was a check, a bar and a stop.

In our usual protective but scruffy jungle attire we were deemed quite a spectacle by the local residents who had obviously never seen anything like it before. I think they thought it was a new energetic variety of bag ladies and hobos doing some sort of attention -seeking demo.

The run went from the house and right at the first corner. Just as we reached there Hardcore drove up and parked by the arrow. He looked very bemused when Akzhole told him not to block the paper and pointed at the red arrow. We soon reached a grassy roundabout with a check in the centre. People took off to the right and to the left and found nothing. The only way to go was almost straight on and as soon as we moved we saw the red arrow on the road. No we were not being totally dumb the red arrows on the road did not hit you in the face like white paper clipped to leaves in the jungle does.

The run continued winding through the roads, in between houses, through people's yards by the side of Sammy's Indian Club until we reached the bar. Along the way Itchy Bai kept appearing on his bike and ensuring we took the correct route but where was he when we needed him – nowhere in sight! So Akzhole, Inspector Gadget and myself dithered around until we got back to the main road and Grasshopper told us to go straight ahead. Luckily for everyone else Mini Sausage is brighter than us and found the trail immediately!

We arrived at the Rifle Range big car park which was the beer stop. As it was a run and there was no shade the beer was greatly appreciated. We then wound back through the roads to Jude's house. His neighbours were gob-smacked when we stood at the back of our cars and started washing and changing. They were so astounded they forgot to call the police and complain.

We had a short circle. First on ice were Grasshopper, Running Fire and Akzhole who were the birthday people of the week. We gave them a birthday rendering and Just Beer provided a cake. Next on ice was Jude who had provided a wonderful venue which included such luxuries as a toilet. He is not a hasher but was so supportive in being our host. Colleen was iced because she was a virgin hasher and is a new member. She is a runner and had been at the front until the beer stop but she stayed with the booze and was one of the last back! Angie was next on ice as she is a new member. She looks good, is young, can dance and sing – definitely a mover and a shaker. Last on ice was Grasshopper who had made a fun run and organized a great evening. Many thanks to Running Fire for dealing with the delicious food.

Let's have a lot more party evenings. See you all next week.

On On....

## Funny Stuff!!!!

A little boy asked his father, "Daddy, how much does it cost to get married?" And the father replied, "I don't know son, I'm still paying."

## **"Bra Shopping"**

A man walked into the ladies department of a Macy's, and walked up to the woman behind the counter and said, "I'd like to buy a bra for my wife."

What type of bra?" asked the clerk.

"Type?" inquires the man. "There is more than one type?"

"Look around," said the saleslady, as she showed a sea of bras in every shape, size, colour and material.

"Actually, even with all of this variety, there are really only three types of bras," replied the sales clerk.

Confused, the man asked what the types were.

The saleslady replied "The Catholic type, the Salvation Army type, and the Baptist type. Which one do you need?"

Still confused the man asked, "What is the difference between them?"

The lady responded, "It is all really quite simple. The Catholic type supports the masses, the Salvation Army type lifts up the fallen, and the Baptist type makes mountains out of mole hills."
