## Newsletter 1961

### *GM'S notes*

Hi Everyone,

Yet another week has flown by. We had 36 members, 1 new member (Bend Over) and 2 guests (Tai, and Tin- tin) at this weeks run. As Dr Bypass was away, he was a phantom hare and that left Night Runner to do the honours alone. He told us the run was medium and there was one bar.

The pack took off towards Jessleton and then up the slippery slope to the usual path which we followed for a while. We then started to climb up and some know it all stated that this was the first on up (as though we might have imagined a previous one) and the bar was on the second hill.

It was up, over slippery boulders covered in slimy green moss and then down through the vines which managed to catch us at all levels of the body. As predicted the next on up then started and we heaved ourselves up against the slick mud and eventually arrived at the bar. We had long since lost the front runners.

As we went back a bit we guessed the trail would be on up to the top – this being the normal hash punishment - and sure enough Speedhound was soon calling ‘On paper’ and we all followed the direction of her call. We went up to the top and then the glorious on down started. Some of it we could run but the concrete bits tended to be like ice and we had to teeter in the vegetation at the side.

We had a very short circle and as Gangrene was in fine fettle, I called him to be mystery whip. The first charge involved an enactment of the bar. The towel was the bar and a pack of ice was the hill.

Goodyear as the front runner was called to describe what he did. Then Eddie the Punk – a stand in look a like (!) for Inspector Gadget described what he did as second runner and then GM was asked as the third runner to describe what she did. The whole point of the charge was that the bar had not been closed and the back runners had wasted an unnecessary 15 minutes finding the trail. So GM was charged with the heinous crime of not taking care of the pack and general dereliction of duty. Next on ice was Tin-tin who was asked if he carried gold around Penang and the reply was that he recycled rubbish. The charge was still being a guest, wasting money on guest fees and spending too much money at Seven Eleven on crisps and other snacks instead of paying his sub.

GM was given back the circle and last on ice was the hare – Night Runner. The run was deemed good. the food delicious and the location conducive to a fun evening. Thanks Thanga for another good Thursday.

A few weeks ago the 2000<sup>th</sup> Run Committee had a meeting with YB Danny Lau from Penang Tourism. The outcome of the meeting was that he would support us but he had to go away and consider his budget before deciding on how generous he could be. One thing he noted was that we should support him, if we expected him to support us.

I would like a Harriet pack joining in the Fun Run attached to Penang Bridge Marathon on Sunday November 22<sup>nd</sup>. The run starts at 7.15am and the entry fee is RM10. We will all wear our yellow shorts and the club T-shirt from last year, advertising the 2000<sup>th</sup> Run. We will carry a banner advertising the 2000<sup>th</sup> run. I will bring registration forms to next weeks run. Please support this

Have a great week see you next Thursday. On On.....

Our condolences go out to Dom Boudville and family on the loss of his brother last Thursday.

## **Announcement from the On Sex** (contact Justbeer)

If you have any requests/articles/information to give the members please contact me.

If you have a problem setting your run please contact a member of the committee as soon as possible. I have the hash paper please let me know if you need it!

**Rubbish!!!** Please take care of your rubbish and not just throw it about anywhere!!! Waste bags are always available at our gatherings yet we still find rubbish strewn about. If we want to be welcomed back to our venues we should take care to make sure the area is clean when we leave! The committee are not here to clean up your rubbish. Please be thoughtful and dispose of all rubbish carefully.

**Well it is nearly the end of the year and we have only 10 runs left for 2009. The new hareline will be published shortly for you to digest and forward plan.**

**HOWEVER** since there has been quite a number of complaints from members about shared runs and how unfair this is to those who do not or cannot share, from the beginning of 2010 the committee has decided to revert to the original and accepted concept of EACH member having to set a run. Afterall we are members in our own right and pay our subscriptions separately and hence we accept the rules of the club upon joining or remaining a member. We have at present 84 members and providing our numbers do not fall then from 2010 you will only have to set a run about once every 18 months or even longer. So it should not be a real burden to anyone.

**If you cannot make the date you are given then please inform the committee a minimum of 8 weeks before hand. Less than this and YOU will be responsible for finding someone to swap dates with you. It will not be the committee's responsibility.**

***Funny Stuff!!!!***

The domestic phone-bill was exceptionally high. This prompted the man of the house to call for a family-meeting after dinner.

**Dad :** People, listen carefully, this high usage of our telephone is unacceptable. You have to limit the use of it. I do not use the home telephone at all, because I use the one at my work-place.

**Mum :** Same here. I hardly use our home telephone as I also use my office's telephone.

**Son :** Me too. I never use the home phone. I always use the mobile provided by my company.

Then they all looked at the foreign maid.

**Maid :** So, what is the problem, huh? Don't we all use our work-place telephones?!!!

A guy suspected that his wife was cheating on him, so he hired a Chinese detective... The cheapest one he could find. This is his report:

Most honourable sir,

You leave house. I watch house. He come house. I watch. He and she leave house. I follow. He and she go hotel. I climb tree. I look window. He kiss she. She kiss he. He strip she. She strip he. He play with she. She play with he. I play with me. I fall off tree. I no see.

No fee,

Cheng Lee
