Notes from the VGM

30 members and no guests gathered at Charlie market. It smells on the way up the usual slope. We skirted along the hill of Mt Erskine, looking down is the kampong of Hong Seng. The hills are well known to have bees at some point and as I was going up, one hummed pass me. As I passed some of the guys going up as well, Mike was trying to retrace his hike and complained of being dizzy and so we decided to go down to the kampong. We came down the very narrow path full of foot vine and slippery shale. We were in the Kampong and many of them had some very unique but queer design and some very narrow paths. Since we short-cut there was no other way to the runsite except by road through the cemetery.

Sheila was on ice, to wished her bon voyage, and a pleasant journey home. Ronnie was on ice because he was not in hash attire. Knowing his loyalty to the Thursday Harriets he is always there for a drink and to enjoy our company. Well done Ronnie! He is looking good and slim. Co-hare on Ice, none other than "Take Care" – the Saviour. He set a good run for Johnny Lee and arranged the food for us to enjoy. What are friends for!! Johnny Lee came late after a foot massage. Thanks for the great run and a lovely evening

A Farewell note from Sheila.

An emotional Sheila wanted to thank everybody who has supported her and helped her over the last 5 years and many thanks to those who came to her farewell party. She said she has enjoyed her years with us and that the Hash has been like a family to her. She is going to miss us all and wishes us every future success.

In turn we at the Harriets wish her a wonderful, contented future and look forward to seeing her run with us again some day.

Funnies

Qantas, service as ever.

WALKING THE DOG.

A WOMAN was flying from Melbourne to Brisbane .
Unexpectedly, the plane was diverted to Sydney
along the way. The flight attendant explained that
there would be a delay, and if the passengers wanted
to get off the aircraft the plane would re-board
in 50 minutes.

Everybody got off the plane except one lady who was
blind. A man had noticed her as he walked by and
could tell the lady was blind because her Guide
Dog lay quietly underneath the seats in front of her
throughout the entire flight.

He could also tell she had flown this very flight before
because the pilot approached her, and calling her by
name, said, 'Kathy, we are in Sydney for almost
an hour. Would you like to get off and stretch your legs?'

The blind lady replied,
'No thanks, but maybe **Buddy** would like to stretch his legs.'

Picture this:

All the people in the gate area came to a complete standstill when they looked up and saw the pilot walk off the plane with a guide dog! The pilot was even wearing sunglasses.

People scattered.

They not only tried to change planes, but they were trying to change airlines!

True story... Have a great day and remember...

..... THINGS AREN'T ALWAYS AS THEY APPEAR!!!!
