[Notes from the On Sex](#)

Hi Everyone,

The hills are alive with the sound of music, threatened by but thank goodness no, rain. Yes it was Julie Andrews's run (aka Helmut) at Bee Gallery last Thursday. It was announced as a short to medium run and off we went to the right side of the hill, across the bridge and straight on in and up! Toddy kept me company as I took my time going up and at one point moved quickly aside as my turbo wind let rip!! We caught up with Edna, Silent Man, Beauty Queen and proceed procession like along the familiar trail knowing where it will end. Soon we were heading down and due to the previous days rain it was easier than expected. Since we were all wary of falling and breaking bones we took our time except for Beauty Queen who was so nimble that evening. It was a nice walk back through the Gardens and seeing so many people doing their own exercise and walks.

On On

We have heard that Huge has been in hospital and we send our best wishes to him for a speedy recovery.

Hare of the Day

Helmut

Many Thanks for a good run, great food!

Down Downs

Eddie Punk was on ice for actually doing the run this week and not just turning up for the food!!

***Next to visit the Ice Throne was
our very own Shelia Majid.***

***She is visiting us for a month on her
way "Down Under" to see her new
granddaughter.***

***Great to see you Shelia and
congratulations on the new addition.***

Lumber Jack from Medan was visiting as well and our courtesy was also shown to her. She also showed how inventive people can be as she had on a pair of shorts made from the Sarong given at the 2000th run

Helmut was iced, not only for being the Hare of the Day but for achieving his 100th Run. Congratulations Helmut on reaching this milestone and a very big thank you (and to Renata) for the fabulous food!

Mini Sausage performed acrobatics when his turn came to be iced. He is a very big friend and benefactor to several Hashes around in Penang and now has been made GM of PIH2.

Congratulations Mini.

However he didn't want to be alone on the ice and so he called his sex slave, Shelia Majid to join him, which she did with pleasure!!

It seemed it was a night of congratulations on offices achieved, as Helmut was back on ice to be recognised as the new GM of the Full Moon Over Penang Hash Chapter. Congratulations.

***The last icing for the evening was of Take Care who apparently didn't take care enough at the Tuesday hash as he fell down a drain and injured himself. We suggest to take more water with it next time TC.
We do hope you get well soon though.***

The Evening

Birthday Greetings this week go to:

Silent Man & Iceman

We all wish you a very Happy Birthday!!

Funnies

Unfaithful Wives

Paddy and his two friends are talking at a bar.

His first friend says: "I think my wife is having an affair with the electrician. The other day I came home and found wire cutters under our bed and they weren't mine."

His second friend says: "I think my wife is having an affair with the plumber the other day I found a wrench under the bed and it wasn't mine."

Paddy says: "I think my wife is having an affair with a horse." Both his friends look at him with utter disbelief.

"No, I'm serious. The other day I came home and found a jockey under our bed."

The 'Perfect Password'

A woman was helping her husband set up his computer, and at the appropriate point in the process, the computer advised him that he would now need to enter a password.

Something he will use to log on.

The husband was in a rather amorous mood and figured he would try for the shock effect to bring this to his wife's attention.

So, when the computer asked him to enter his password, he made it plainly obvious to his wife what he was entering by stating each letter out loud as he typed:

P...E...N...I...S

His wife fell off her chair laughing when the computer replied:

***** *PASSWORD REJECTED. NOT LONG ENOUGH* *****
