### **Notes from the On Sex**

Hi Everyone,

The usual crowd gathered at the Shop Lots in Tg Bungah for Ronnie Tour's run. Amidst the teasing of whether it would be a 20 minute or a 25 minute run, Ronnie told us it was a 26 minute run but to find out for ourselves! As we passed mounds of rubbish and plastic bottles the trail took us through the usual entrance and into the bush. We dropped down to the left and then started skirting the hill clockwise and I was thinking we could meet up with The General's paper from a few weeks ago. I am sure that at some points we did but we suddenly found ourselves at the hairpin bend on Mount Erskine Road by the two large water pipes. We crossed over a large fallen tree to get to the other side and then started to climb. Gaelle had brought along 2 French friends, Cedric and one also called Gaelle who was bravely struggling up the hill whilst Cedric was enjoying the run even wearing his large knee length winter boots, on their first ever Hash run!! On up the hill we trudged, Speed Hound racing past as she had started late. Then suddenly the paper went down to the left and I thought ha ha!! ...what goes down must come up and so we SCBed a little and continued up to the ridge just above us and low and behold there was the paper!! Now this was certainly familiar territory, much easier and we followed the paper out to the Hash Highway. Our guest Gaelle recovered from the climb and began to enjoy the run. Then we hit the on down and Huge let me pass, fearful of me stampeding him and causing him to fall. He joked that I would make a great cushion if he did by being in front!! We got back to the runsite just as the Hare went home for the food and what delicious food it was cooked by Tar his current better half. Thanks Ronnie for the very good '26 minute' run, which took us about 90 minutes to complete and great food that 33 members and 3 guests thoroughly enjoyed.

On a seemingly repeating theme did any of you read the article in the Star dated 6 May? The article was written by a visitor from the Yukon bitterly complaining about the amount of paper strewn about and hundreds of pieces thrown into the bushes at the recent Langkawi Interhowl. He had never heard of the Hash before this and was utterly disgusted in the way the paper was simply littered about. He also mentioned the Malaysian Hash Council as well. There was a reply by Ajit Singh, as Secretary of the Malaysian Hash Council, 2 days later, also in the Star which stated the MHC had nothing to do with the Interhowl and that the organising Chapter was not even a member of the MHC. He also stated that the MHC advocate using paper sparingly to set runs.

What has that to do with us you may ask? Well, I also complained, only two weeks ago in this column, about the amount of paper littered on the trail at Tembaga by another Chapter. Unfortunately we all get the same bad name even though we, the Harriets, might be a responsible group. Certainly the guy from the Yukon will always remember the HASH as being the perpetrators of littering not the Chapter directly involved.

So I say to you all PLEASE use only enough paper to to ensure a good run. Please do not litter loads of paper on the ground thinking that the rains will make it disappear. Yes it does but IN TIME!! The general public do not differentiate between Chapters, they probably do not even know there are different Chapters and hence we all get a bad name. Please ACT responsibly and pass this message to all Chapters you are involved with!

## **Funnies**

*A woman walks into her accountant's office and tells him that she needs to file her taxes.*

*The accountant says, 'Before we begin, I'll need to ask a few questions.' He gets her name, address, social security number, etc. And then asks, 'What is your occupation?' The woman replies, 'I'm a whore.'*

*'The accountant balks and says, 'No, no, no. That will never work. That is much too crass. Let's try to rephrase that.' The woman, 'OK, I'm a prostitute.' 'No, that is still too crude. Try again.' They both think for a minute, then the woman states, 'I'm a chicken farmer.' The accountant asks, 'What does chicken farming have to do with being a whore or a prostitute?'*

*'Well, I raised over 5,000 cocks last year.'*
