Notes from the On Sex.

Hi Everyone,

As we all know Mark and Francoise are very good supporters of the hash and although neither 'run' in the jungle they always walk a good deal when attending. They are also members of 4 hashes and hence are 'Hashers through and through'. So when Mark asked Akz Hole and I to help set the run we were only too happy to help out and in turn we roped in Silent Man to also help. None of us know the terrain around Mount Pleasure that well and so it took us some time and quite a few wrong ways to lay out the run. However it was deemed to be quite good and everyone was out by 7.45pm...thank goodness!!

Francoise had done the cooking and with delicious Caribbean style chicken, rice, carrots with pineapple and there were watermelon and bananas around somewhere too. A very delicious fare and much appreciated by all. So thank you Francoise.

At this point I offer the Club's sincerest condolences to Mark on the death of his sister in Canada. Mark had to fly out the evening before the run and hence missed it all but we sincerely thank him for going ahead and making all the arrangements and especially to Francoise for making certain all went well.

I also offer our sincere condolences to one of our newer members, Sioe, whose sister also passed away last week. May they both Rest in Peace.

Funnies

A father walks into a restaurant with his young son. He gives the young boy three coins to play with to keep him occupied. Suddenly, the boy starts choking and going blue in the face. The father realizes the boy has swallowed the coins and starts slapping him on the back. The boy coughs up 2 of the coins but is still choking. Looking at his son, the father is panicking, shouting for help.

A well dressed, attractive, and serious looking woman, in a blue business suit is sitting at a coffee bar reading a newspaper and sipping a cup of coffee. At the sound of the commotion, she looks up, puts her coffee cup down, neatly folds the newspaper, places it on the counter, gets up from her seat and makes her way, unhurried, across the restaurant. Reaching the boy, the woman carefully pulls down his pants; takes hold of the boy's testicles and starts to squeeze and twist, gently at first and then ever so firmly.. tighter and tighter!!! After a few seconds the boy convulses violently and coughs up the last of the coins, which the woman deftly catches in her free hand. Releasing the boy's testicles, the woman hands the coin to the father and walks back to her seat at the coffee bar without saying a word.

As soon as he is sure that his son has suffered no ill effects, the father rushes over to the woman and starts thanking her saying, 'I've never seen anybody do anything like that before, it was fantastic. Are you a doctor?'

'No', the woman replied, 'I'm with MayBank - Loan Recovery Department.....'
