## **Newsletter 2085**

### **Notes from the GM.**

Hi Everyone,

Well we had a great Australia Day run at Charlie Market. I had arrived very early and it seemed to be almost time to go and the crowd seemed quite small. I need not have worried there were bad traffic jams in town and at the last minute a crowd assembled cursing and swearing about the traffic.

We had a good sized circle of members and we welcomed Shit in the Pit, Kan Ni Lak Tau, Puki Lou, Sue and Keith as guests.. Gangreen told us it was a short to long run and there were bars and checks. The FRBs should close the checks and the run started up the hash highway.

Off we troddled, past the overladen garbage skips and onto the highway. Most people were suffering from a surfeit of New Year goodies and so the pace was leisurely and a lot of chit chat and bullshit could be heard.

We turned left off the highway and up a very steep slope in the jungle. The chit chat stopped as full effort was required to heave the body upward. We were almost at the top when the bar was called and the penny dropped that those who had chosen to continue on the highway knew more than we did.

Nothing for it but to get ourselves back onto the highway and go up it some more. We were just getting comfortable when the next left turn took us up another equally vertical slope. This was bare and slippery and a loose rock went careering by and the yells and screams ricocheted down the slope. We were just recovering from this when the guys ahead called the bar.

So back to the highway and up some more. However, when the next left turn came we thought no, being stupid twice is already enough so we stayed on the highway. This was a huge mistake as the run did go left. My group therefore did not do the actual trail after this. We went as far as

number 19 and took the usual trail up to Mount Olivia and back down to the highway. We had a good time but were a bit late back to the site.

The support for Gangreen's run was now very sizable. We had a circle and as it was Australia Day we called the Aussie's in first to explain what the day was in aid of. We got some garbled version and were none the wiser. Rambo then took over the circle and called in Michael Longhair who had been sick but was now well on the way to recovery. Next Hotlips was called in because she hasn't been doing the run but had completed last night's. Thai Pussy was then iced for not wearing a hash t-shirt. Lastly Gangreen and his co-hare Wesley were iced. The crowd decided the run was great, the food delicious and the location brilliant.

Many thanks Gangreen for a terrific Australia Day run.

See you all next week.

On on .....

In order to avoid hassles and difficulties the fee for all comers will be RM 50.

If you have ideas for entertainment items etc. please talk to any member of the committee.

Committee members have forms to fill up (we need to know your T-shirt size and the length of run you want to do so that you are properly catered for) I hope everyone will support the event - it will be good!

## Funnies

- (1) God said to Adam, "I've got some good news and some bad news. First the good news. I have given you a brain and a penis. The bad news... I've only given you enough blood to work one of them at a time!"
- (2) Four nuns were standing in line at the gates of heaven. Peter asks the first if she has ever sinned. "Well, once I looked at a man's penis," she said. "Put some of this holy water on your eyes and you may enter heaven," Peter told her. Peter then asked the second nun if she had ever sinned. "Well, once I held a man's penis," she replied. "Put your hand in this holy water and you may enter heaven," he said. Just then the fourth nun pushed ahead of the third nun. Peter asked her, "Why did you push ahead in line?" She said, "Because I want to gargle before she sits in it!"
- (3) A sailor and a priest were playing golf. The sailor took his first shot missed and said, "Fuck, I missed." Surprised, the priest replied, "Don't use that kind of language or God will punish you." The sailor took aim and hit his shot second shot. Again he missed and under his breath the said, "I fuck'n missed again." The priest overheard and replied, "My son, please don't use that language or God will punish you." The sailor took his third shot and once again he couldn't help mutter, "Oh fuck!" The priest said, "That's it God will certainly punish you." Suddenly a bolt of lightning came down and killed the priest. In the distance a deep voice said, "FUCK, I Missed".
