#### **Note from the GM**

We have not been to the quarry for some time and the greenery surrounding the place was as beautiful as ever. No wonder we had so many compliments during the 40<sup>th</sup> Anniversary regarding the venue. It truly is spectacular!!

This Thursday Michael Longhair had his run. We all know he likes to do something a bit different and today he succeeded. After the usual opening spiel of the pre-circle Longhair pointed to the slopes and the On In. However even as the front runners headed that way with some going to what they thought was the correct path, Longhair was smiling to himself as he had already caught them out as he had chosen a completely new On In to start his run and he had to call them back to hit the right place. However after scrambling up the bank and mountain climbing a tricky vertical slope we did stumble upon the familiar path that the front runners were heading for at the start. So one up to Michael.

Akz Hole, having missed last week's run, was keen to get going and was pushing ahead and so I was left behind with Jerry, Beauty Queen, Silent Man to bring up the rear as usual. The path was peppered with hash papers from several Chapters and we even spotted paper from Viking's run a few weeks ago. We made our way up the hill and then across the Peace Trail and headed down to the pipe, actually short cutting some of the run, where we picked up the On Down paper once more. I did think that even though this a popular hill there are many variations possible if you work at it and it really gives one a great work out and sweat!

Back at the run site Alexis had brought her Godson and his girlfriend along together with

another couple to see the intricacies of Hash. I hope they enjoyed it. Anna Loh was also there with her son and was collecting names for the St. Nickolas Walk for the Blind (a worthy cause – see the Invitation Runs page) and with the lights ablaze in the quarry itself (a pleasant surprise) the evening promised to be a memorable one, which it was, with people eating, drinking and catching up with the latest news. It was a great atmosphere with many staying late into the night.

Many thanks to Longhair for the good run and food. To Silent Man for his delicious sweet potato soup and to Sai Seng for his Kuew Kak.

## **The Circle**

We love to have guests and as the venue tonight was spectacular with the backdrop of gently illuminated hills and greenery, we hope the guests went away with a great feeling about Penang. If it's not the scenery they remember perhaps it will be the openness and welcoming spirit of the Harriets. In any case it is always good to welcome the guests and the first honour of the evening belong to: Gordon, Rob and Kayu (who had come all the way from Johor). Welcome.

It is always good to have new members and after a few weeks of attending as a guest Jerry Low finally decided to join. Welcome to the Harriets. I am sure you will enjoy our runs and evenings.

Grasshopper was next on ice to celebrate this achievement of reaching 200 runs.  
Congratulations Lucas!

Charges from the floor saw Akz Hole putting Sai Seng on ice. AH described the charge as being one of excessive talking especially in the jungle. It seems that AH and Smiling Horse could hear Sai Seng from afar whilst they were traversing the Peace Trail and Sia Seng was far below and behind. AH suggested we rename him Radio Penang for his incessant chatter.

Uncle Bee was iced as a welcome back since we have not seen her for some time. It was good to see that she seems fit and well after all her injuries, many obtained through Hash! It was also a good opportunity to show her guests the “Real” Hash event of icings!!

Finally the Hare of the Day, Michael Longhair was given the Ice Throne to receive our grateful thanks for a good run and good food. Many thanks Longhair.

### Funnies

1) One Monday morning a postman is walking the neighborhood on his usual route. As he approaches one of the homes he noticed that both cars were in the driveway. His wonder was cut short by Bob, the homeowner, coming out the front door, stepping around empty beer and liquor bottles.

"Wow, Bob, looks like you guys had one hell of a party last night!" the postman says.

Bob, in obvious pain, replies -- "Actually we had it Saturday night. This is the first I have felt like moving since 4 am Sunday morning."

"We had about fifteen couples from around the neighborhood over for some weekend fun and it got a bit wild. Hell, we got so drunk around midnight that we started playing Who Am I?"

"Is that a game?" the postman asks, all curious. "How do you play that?"

Bob replies --- "Well, all the guys go in the bedroom and we come out one at a time with a sheet covering us and only our 'privates' showing through a hole in the sheet."

"Then the women try to guess who it is."

The postman laughs and says --- "Damn, I'm sorry I missed all that fun."

"Well, that's why I came out to talk to you," Bob says. "You better lie low for a few days, since your name came up seven times and many of the guys are looking for you."

2) Ed and his wife Norma go to the state fair every year, and every year Ed would say,  
" Norma, I'd like to ride in that helicopter "

Norma always replied, " I know Ed , but that helicopter ride is fifty bucks, and fifty bucks is fifty bucks! "

One year Ed and Norma went to the fair, and Ed said, " Norma, I'm 75 years old. If I don't ride that helicopter, I might never get another chance"

To this, Norma replied, " Ed, that helicopter ride is fifty bucks, and fifty bucks is fifty bucks"

The pilot overheard the couple and said, " Folks I'll make you a deal. I'll take the both of you for a ride. If you can stay quiet for the entire ride and don't say a word I won't charge you a penny! But if you say one word it's fifty dollars."

Ed and Norma agreed and up they went.

The pilot did all kinds of fancy manoeuvres, but not a word was heard. He did his daredevil tricks over and over again, But still not a word... When they landed, the pilot turned to Ed and said, " By golly, I did everything I could to get you to yell out, but you didn't. I'm impressed! "

Ed replied,

"Well, to tell you the truth I almost said something when Norma fell out, BUT you know, Fifty bucks is fifty bucks! "

3) Johnny wanted to have sex with a girl in his office, But she belonged to someone else...

One day, Johnny got so frustrated that he went up to her and said, 'I'll give you a \$100 if you let me have sex with you. But the girl said NO.

Johnny said, 'I'll be fast. I'll throw the money on the floor, you bend down, and I'll be finished by the time you pick it up.'

She thought for a moment and said that she would have to consult her boyfriend... So she called her boyfriend and told him the story.

Her boyfriend says, 'Ask him for \$200, pick up the money very fast, he won't even be able to get his Pants down.'

So she agrees and accepts the proposal. Half an hour goes by, and the boyfriend is waiting for his girlfriend to call.

Finally, after 45 minutes, the boyfriend calls and asks what happened.

She responded, 'The bastard used coins!'
