### **Newsletter 2120**

#### **Note from the GM**

We were lucky to get a space to park as the FTAC cars were everywhere as they too had chosen Charlie Market for their run!! The hashers trickled in, guests gave their names and payment and with the announcements out of the way off we went.

Nikki and guest Tabitha, who was doing her first ever hash run, kept me company along with other guests, Kani, Pierre and Michael. Kani struggled going up the slippery and muddy slopes and lots of hashers soon overtook us. Nikki wasn't feeling well and turned back taking Kani along with her. Pierre and Michael also went back to see them safe and sound!! Or so they said!! Hugh, Tabitha and I carried on and soon found the normal way up after skirting around the hill for a little, across the ridge and down to the hash highway. Just as we stepped out onto the homeward track Guest May and Longhair appeared out of the gloom, passed us and disappeared off into the distance.

Back at the run-site a much relieved Nikki welcomed back Tabitha as she told of the experience of her first run. Ladies I hope you forget the pain and remember the pleasure of feeling and being fit!

Whilst we were on the run the numbers had swollen significantly to 48 members and with 9 paid guests and 2 invited guests also there, the crowd was large and noisy. The good food was soon polished off and a great atmosphere and lively conversations ensued. The evening was also capped by Pauline being extra generous by providing, in my view, nectar of the Gods in producing 2 bottles of whisky. Fantastic!! Thank you Pauline for such a fabulous evening!

## **The Circle**

Our guests for the evening were Kani, Helen, May, Tabitha, Bina, Michael, Pierre, Gordon, Sunny, Rob and Johannes. Those that were remaining were warmly welcomed.

It is not usual to put guests on ice but we made an exception in Johannes case since he brought the whisky. Many thanks.

Spermwhale has returned after many months away apparently polishing his knob as well as doing up his home base in the UK. Welcome back!

Kali then charged Gordon (Smiling Tiger) for using wind assisted means (Farts to you and me) whilst climbing the hill.

Take Care then took the stage and was iced for no good reason that I know of other than being Take Care.

Runs seem to be contracted out these days due to peoples' busy lives and schedules. This was no exception and hence the Co-hares were honoured for setting a simple but enjoyable run.

Finally the Bunny of the Day, 'Keys in the Crack' was thanked for the most enjoyable evening.

## **Funnies**

### 1) Prostate Exam

An old guy goes to his doctor for his physical and gets sent to the Urologist as a precaution.

When he gets there, he discovers the Urologist is a very pretty female doctor.

The female doctor says, "I'm going to check your prostate today, but this new procedure is a little different from what you are probably used to. I want you to lie on your right side, bend your knees, then while I check your prostate, take a deep breath and say, '99'."

The old guy obeys and says, "99".

The doctor says, "Great, now turn over on your left side and again, while I repeat the check, take a deep breath and say, '99'."

Again, the old guy says, '99'."

The doctor said, "Very good. Now then, I want you to lie on your back with your knees raised slightly. I'm going to check your prostate with this hand, and with the other hand I'm going to hold on to your penis to keep it out of the way. Now take a deep breath and say, '99'.

The old guy begins, "One...two...three...four...five.....six.....seven....."

## **2) German Joke**

Angela Merkel arrives at Passport Control at Paris airport.

"Nationality?" asks the immigration officer.

"German," she replies.

"Occupation?"

"No, just here for a visit."

## **3) Hospital Bill**

A man suffered a serious heart attack while shopping in a store. The store Clerks called 911 when they saw him collapse to the floor.

The paramedics rushed the man to the nearest hospital where he had emergency open heart bypass surgery...

He awakened from the surgery to find himself in the care of nuns at the Catholic Hospital. A nun was seated next to his bed holding a clipboard Loaded with several forms, and a pen. She asked him how he was going to pay for his treatment.

"Do you have health insurance?" she asked.

He replied in a raspy voice, "No health insurance."

The nun asked, "Do you have money in the bank?"

He replied, "No money in the bank."

"Do you have a relative who could help you with the payments?" asked the irritated nun.

He said, "I only have a spinster sister, and she is a nun."

The nun became agitated and announced loudly, "Nuns are not spinsters!

Nuns are married to God."

The patient replied, "Perfect. Send the bill to my brother-in-law."

#### 4) Olympics

A slave call girl from Sardinia named Gedophamee was attending a great but as yet unnamed athletic festival 2500 years ago in Greece.

In those days believe it or not the athletes performed naked.

To prevent unwanted arousal while competing, the men imbibed freely on drink containing saltpetre before and throughout the variety of events.

At the opening ceremonial parade Gedophamee observed the first wave of naked magnificent males marching toward her and she exclaimed: "OH!! Limp Pricks!"

Over the next two and a half millennia that morphed into "Olympics".

Here endeth your history lesson for the day!!
