Notes from the GM

I would like to thank you all for your trust in electing me as GM for this year to run our Club. Along with the Committee and help from you, we can take this long established Club even further forward. Although the minutes of the AGM will be published separately I would just like to list the duly elected members so that you know who to approach should you have any queries.

Grand Mistress - Jesbir; VGM - Ah Nee; On Sex - Tiny; Hash Cash - Edna

Please feel free to let us have your thoughts and suggestions as we are here to serve you.

After getting the AGM out of the way, the Hare, Sai Seng and his guest Wind, announced a short to medium run, pointed to the bridge and away the pack went. Soon they were out of sight and presumably starting to climb the hills behind the quarry. Since I didn't run (too much to do) I got the cards out and chopped them all. After about 35mins Money Manfred came back drenched in sweat saying very short run. Iceman soon followed and a few more after them. There was then a gap of time before others started to appear and it later turned out that some had SCBd but not by design but by following the wrong paper!! So check your paper in future everyone otherwise who knows where you might end up!!

As we were waiting the last of the pack to return, the skies went very dark and it wasn't long before the threatened rain started. Light a first then poured. There was no chance of a circle

and so we all trooped off to White Beach for our dinner. More members joined us there and soon a very lively atmosphere prevailed, helped no doubt by the copious amounts of Tiger being consumed. The food arrived and was gone before one could blink but people still sat and yakked and drank some more. Jaya entertained us with songs and antics that had everyone in stitches.

As the evening in the restaurant grew to a close, some sat outside and continued their talk and drinking whilst others headed to the karaoke bar a couple of doors down for more drinks and soon the dulcet tones of Peggy, Ah Nee, Ronnie Tour, Pauline and Akz Hole could be heard, each giving their all.

Thank goodness the rain had stopped by the time I managed to drag Akz Hole out of there and head home!

It was a great evening and I hope everyone enjoyed it. You all certainly played your part.

On 7th September the Ipoh Harriets are celebrating their 45th Anniversary. Penang Harriets have a great respect for them as they were the first to come and help us set up our own Club 41 years ago.

In recognition of this and to support them it would be great if many of us could attend. Perhaps we could even hire a bus if there were enough of us. Please let me know if you would like to go!

Funnies

Handjob

Three guys go to a ski lodge, and there aren't enough rooms, so they have to share a bed. In the middle of the night, the guy on the right wakes up and says, "I had this wild, vivid dream of getting a hand job!" The guy on the left wakes up, and unbelievably, he's had the same dream, too. Then the guy in the middle wakes up and says, "That's funny, I dreamed I was skiing!"

Flashlight

A man and a woman started to have sex in the middle of a dark forest. After about 15 minutes of it, the man finally gets up and says, "Damn, I wish I had a flashlight!". The woman says, "Me too, you've been eating grass for the past ten minutes!"

Sexual Exhaustion

A teacher was wrapping up class, and started talking about tomorrow's final exam. He said there would be no excuses for not showing up tomorrow, barring a dire medical condition or an immediate family member's death. One smart ass, male student said, "What about extreme sexual exhaustion?", and the whole classroom burst into laughter. After the laughter had subsided, the teacher glared at the student, and said, "Not an excuse, you can use your other hand to write."
