te

at Bayee Pass was almost full as I drove in as our fellow Hashers from the
ere to run also. Members from both clubs were looking for the few remaining
ith a few doubling up we managed to get all the cars in without too much

issue.

As the time approached for the start of the run, the Hare, Frank @ Pukka Sahib, was
nowhere to be seen but as if "on cue" he appeared along with Anjalai, just as I called the
pre-run circle. We had 4 guests, Hendrik from Denmark, Ah Yue (Beauty Queen's friend)
from Balik Pulau, Chris Chin (old member) and Ah Lai. The hare pointed across the road
and off we all went.

Up the concrete path at first, with parts of it seemingly newly paved, so perhaps more
building activity is to follow, and then on to the track. A left fork took was around the
side of the hill when suddenly it veered right into the bush and the real run started.
Talking about building though, as we were walking along and looking down the valley
the other side, one can see the amount of encroachment into what was only recently,
jungle. It seems that Penang is being ravaged in all areas these days and the quality of
life we have enjoyed up to now will be a thing of the past in not so many years. Mike
always tells me that when he first came to Penang someone told him Penang had
aspirations to be like Hong Kong...it is certainly heading that way!

Up the hill we went, not so high or steep but certainly enough to get the sweat flowing,

when Iceman followed by Marks and Spencer passed me. Behind and lower down I could hear Beauty Queen calling encouragement to Norjan as she struggled with the On Up. Hitting the top of the climb we then proceeded to the other side of the hill and went on an On Down to the newly cultivated terraces of ginger. The path then swung us on down again and then through fallen bamboo trees or in this case "cleared" bamboo and On Up once again. Paper was a little scarce when we noted that it was in fact clipped the wrong way around, as though the run was laid backwards. "A good charge for later" Mike said, as it certainly would have made it difficult to follow in the dark and I certainly wouldn't have wanted to do it. One more On Down brought us back in a neat circle to just before the jungle trek began and On Home. At this point Longhair, again late, was doing a reverse run.

Back at the run-site, Cheng had the stove going and everyone was waiting to eat. With the last people back dinner was served as the sun was setting over the bay, breathtaking view, and slowly an almost full moon appeared as the delightful fresh breeze blew across the valley. Bayee Pass is a lovely run-site with plenty of run opportunities which we seldom use. Perhaps with our run-sites being curtailed these days by building, we may be using it more in the future.

Many thanks go to Frank for setting a very good run and to Cheng for the home cooked and delicious food.

See you all next week at the info centre for Peggy's @ Hair Do run.

Circle:

1. The guests Hendrik, Chris and Ah Lai (Ah Yue had already left) on ice as a welcome to the Harriets as is our custom.
2. Jaime and Norjan were on ice to name them, as they have not yet been named by their MOTHER HASH, which is the Harriets. Names given to guests by other Chapters are not valid and show a lack of understanding of the naming ceremony and its significance within the Hashing community. As it turned out the pack decided to wait a bit longer and get to know them more before giving them names suited to who they are. So watch this space for future updates.
3. A charge from the floor saw Akz Hole keep his promise and put the Hare on ice for clipping paper in reverse and for the scarcity of it in places.
4. A second charge from the floor saw Jaimey put Goodyear on ice for having NEW SHOES! Fancy a seasoned Hasher like Goodyear being caught out by a rookie hasher!!
5. The Hare for the evening, Pukka Sahib, was given our thanks for a good run, delicious food and a lovely venue and views. Thanks also go to Mem Sahib for the cooking.
6. The final icing of the evening was a charge from Goodyear on the GM. She gave out that next week's run was Hair Do's first run when in fact it is her SECOND run. Shame on your GM!!! 😊 😊

On 7th September the Ipoh Harriets are celebrating their 45th Anniversary. Penang Harriets have a great respect for them as they were the first to come and help us set up our own Club 41 years ago. In recognition of this and to support them it would be great if many of us could attend. Perhaps we could even hire a bus if there were enough of us. Please let Beauty Queen know if you would like to go!
