GM'S NOTE:

RUN SITE – LEADER GARDEN

33 Hardcore hashers turned up either for a good sweaty workout or a free meal for our Mother's Hen run at Leader Garden. That's a good number considering the fact that the Hainan Interhash was just around the corner.

CIRCLE TIME

1. Caught in the act littering his "Smoked pipe tobacco", Polish Piper was called to the Ice throne.
2. Posh was next for arriving at the runsite BUT stayed in her car with the 'air cond' running until most of the runners returned.
3. Right Hand Drive and Smiling Horse were asked to bring out their flying/Magic carpet and to demonstrate the "Raja Bomoh" act. Sai Seng volunteered to be the 3rd person in the act.

4. A Charge from the floor saw Justbeer penalizing Sai Seng for his promised 'Heneiken' beers which turned out to be 'Tiger' instead.
5. Next, the runsetters were duly thanked for a good medium run unlike the previous week where our ex-GM set a "Revenge AGM run."
6. Lastly, our Bunny, Mother Hen was thanked for a good run, 2 crates of beers and delicious Wan Tan Mee Noodles.

FUNNIES

This morning I was in luck and was able to buy two cartons of "VIC BITTER" cheap at the local drive-thru.

I placed the cartons on the front seat and headed back home.

I stopped at a service station where a drop-dead gorgeous blonde in a short skirt was filling up her car at the next pump.

She glanced at the two cartons, bent over and leaned in my passenger window, and said in a sexy voice, "I'm a big believer in bartering handsome. Would you be interested in trading sex for beer?..."

I thought for a few seconds and asked, "What kind of beer 'ya got?"

There was an Asian lady who married an English gentleman and moved to London. The poor lady was not very proficient in English, but anyhow managed to communicate with her husband. The real problem arose whenever she had to shop for groceries.

One day, she went to the butcher and wanted to buy pork legs. She didn't know how to put forward her request, and in desperation, lifted up her skirt to show her thighs. The butcher got the message and the lady went home with pork legs.

The next day, she needed to get chicken breasts. Again, she didn't know how to say, and so unbuttoned her blouse to show the butcher her breast. The lady got what she wanted.

The third day, the poor lady needed to buy sausages. So she brought her husband to the store.....because he spoke English.

A drunken leprechaun was staggering home with a pint of booze in his back pocket when he slipped and fell heavily. Struggling to his feet, he felt something wet running down his leg.

"Please God", he implored, "let it be blood!"

How many Irishmen does it take to screw in a lightbulb?

"Aw, f**k it! We'll drink in the dark!"
