## ***Burst : New shoplot***

It was a painful task when the GM, Uncle Bee "ordering" me to write the burst for this week knowing myself always feels disorientated during the run. Feeling reluctant but understand that one is not suppose to oppose the Almighty GM 🙇 in order to save her prominent bums from the ice thorn. Hence, I obeyed. Sigh! 😞

Here we go with the formula....

Arrived at the Permai shoplot in sleepy mood. Reminded by the GM about the burst. Got run info from bunny - Key in the Crack that it will be a short run, about 3km. Feeling better 😊

After the introduction of guest and usual announcement, the bunny pointed at the direction towards the entrance of Alila condo. The pack started in their easy pace except for Tiny, Take Care and Speedhound, whom were trying to take over Money Manfred's style on his absence. I follow suite in hoping to keep up with them, or at least not to fall back to the last. We started with a small ascent along the over grown fern path and soon Azhole came behind me while the three ahead were missing within sight. During the first decent, nearly the whole pack had overtook me 🏃 and sped off including Viking, my personal guardian 😞 Worrying that I might be left behind, I've tried to pick up my speed but it wouldn't help being a "lady of leisure" for more than a month now... 🍷👠

After the first decent, I was catching up with Tulips and Grasshopper who went along with me skirting through the trail 50ft above parallel

the Vale of Temp road. Busy traffic can be heard from the twisty road at this rush hour. The trail then went towards right where the second on up was. I can't remember how I managed to get to the top carrying all these excessive burdens that I've gained in the recent past. Eventually, we reached the top where Viking was waiting with an impatient look. Well well well, I keep this topic for our private "discussion" later... 💣💀

On the way down, I met Azhole again with injured leg. Perhaps he did that on purpose to gain a bit of tender care from Justbeer? I thought 🧔🐵🐵 Nothing much happened after that except the two late comers, Michael Long Hair and Iceman zoomed by disappearing within seconds.

I remember we had conquered another hill before the final decent. However, the details were missing from my head as we strolling through the same fern path where we have entered the jungle, knowing that we are back to the civilized world. Only the fact of losing so much sweat and feeling refresh again has confirmed to me that it was another good run.

Many thanks to Key in the Crack and her co-hare for their great efforts.

THIS WEEK BIRTHDAY GREETINGS GO TO:  
**EVERYONE**

**HAPPY BIRTHDAY TO YOU !!!!!**

# JOKES OF THE DAY

## 1) THE TOOTHBRUSH AND THE TOILET PAPER

One day a miserable toothbrush sits down and says, "Sometimes I feel I have the worst job in the world." Then the toilet paper yells, "Think again buddy!"

2) A few days after Christmas, a mother was working in the kitchen listening to her young son playing with his new electric train in the living room. She heard the train stop and her son said, "All of you sons of bitches who want off, get the hell off now, cause this is the last stop! And all of you sons of bitches who are getting on, get your asses in the train, cause we're going down the tracks." The mother went nuts and told her son, "We don't use that kind of language in this house. Now I want you to go to your room and you are to stay there for TWO HOURS. When you come out, you may play with your train, but I want you to use nice language." Two hours later, the son comes out of the bedroom and resumes playing with his train. Soon the train stopped and the mother heard her son say, "All passengers who are disembarking from the train, please remember to take all of your belongings with you. We thank you for riding with us today and hope your trip was a pleasant one. We hope you will ride with us again soon." She hears the little boy continue, "For those of you just boarding, we ask you to stow all of your hand luggage under your seat. Remember, there is no smoking on the train. We hope you will have a pleasant and relaxing journey with us today." As the mother began to smile, the child added, "For those of you who are pissed off about the two hour delay, please see the bitch in the kitchen."
