### GM's Notes

Run: 2331

Date: 13<sup>th</sup> October 2016

Venue: Shamrock Beach Water Tank

Hare: Dieu Lah Singh

As per request the run was set only on track and so the Hare, Money and I thought it would be best tackled in getting the harder part done first. So we went in left towards the stream and the now HIGH wall of the construction site. It was wet and shiggy, with much sliding and somewhat thorny grasses, now pretty high, as we climbed up through bamboo to start on the UP trail. It is hard to remember that this was once a relatively easy way in or out but with construction going on all around it is definitely getting

harder to find access. I am informed that it will not be too long before the whole of Shamrock will be under construction and we will have lost another venue. And they call it PROGRESS!!!!

After hitting the old path we started to climb slip sliding along the way. As usual I was behind and we suddenly lost each other as there were different tracks to the top. However we quickly connect once again but there was quite a bit of old paper and the Hare started to clear a lot of it so as not to confuse the evening's runners. We continued to the top and then hit the On Down.

Even though we were on track it was not easy going. With old paper confusing the way and at one time leading to a very steep on down, we had to pick out our path and circumvented the steepness by heading towards Miami Green and then heading back across the terrain to get us back to the runsite. In all it took us about 2+ hours to set which under normal circumstances would be a short run. It was on track but the wetness made it difficult both On Up and On Down!!

In the evening after being told it was all on track the usual FRB's began to moan somewhat that it would be too short so they were told to do it twice in that case!! But as it turned out no one did and it took almost 50 mins with Speedhound and Pussycat being first back! So where were Goodyear and General?? They came back a little later with the excuse that they 'lengthened' the run. YEAH YEAH!! Tiny, Silentman came home as it got dark and Huge followed later after being handed a torch by Iceman as he passed him on the way down. All were back by then except one....BOTAK CHIN!!

Money received a call from him saying he was at FRANCIS CORNER in Batu Ferringhi!! No-one believed him at first but he was saying he was at Sungai Emas 3 and he was reading the sign board!! Goodyear volunteered to go get him and about 15 mins later he returned with a very nonchalant Botak Chin riding pillion without a helmet beaming broadly as the bike swept in. So a big thanks to Goodyear for being the Good Samaritan.

Good home cooked food was served which was quickly polished off and to the pack's great surprise Samy announced a double subsidiary on the beer with the Hare and Botak Chin being the generous contributors.

A lively short circle then ensued.

Many thanks to Dieu Lah Sing for a fabulous evening!!

## Circle

1. As a mark of respect we paid a tribute to the King of Thailand who died during the day. With no disrespect intended we, in true Hash fashion, drank to his memory and to his successor!!
2. Guess who turned up at the run?? Fancy Pants!! He made an unexpected return to Penang and of course joined in the run as always. Great to see you once again but sad that Fancy Panties didn't come with you this time.

3. Rupiah was the next on ice after asking for a 'BLACK ONE' when Samy announced the subsidy on the beer. The only black one around was Samy someone shouted and the group took it from there in true irreverent fashion!
4. Botak Chin was then invited to sit and tell us about his exciting run to Batu Ferringhi!!! His excuse was that it was all Speedhound's fault as he was following her cute bum up the hill and lost the way after she had disappeared from view! He certainly wasn't concentrating on paper!!
5. Mini Sausage and Tulips were definitely on form!! Quips, jokes, innuendo were practically streaming forward from them so what else to do but call them to the ice. I think you can tell how 'On Form' they were from the photos. No other word need be said!!
6. Many thanks to Dieu Lah Sing for a short but slippery run, great food and the subsidy on the beer. Also to Botak Chin for his addition subsidy too. It was a really great evening with everyone having a great time.

Next week is Viking's run at Bee Gallery. Please come and support!!
