Run: 2413

Date: 10 May 2018

Hare: The General

Runsite: Chin's Farm

Upon arrival at the run site there were more cars than people. The hare was waiting for the cards so that he could also join in the run. Guests Wendy, Dry Fuck and Bananaman joined the crowd just as Biking Sheila came riding in with a PH flag fluttering on a pole attached to her bike.

Hashers who had arrived early had decided to start just in case it was a long run so there were only a handful of people left for the 6pm official start. Moira arrived at 6.15 and was the last to go in.

Just under the hour Dry fuck, a Swiss hasher, hotly pursued by Imposter returned. Drippy Dick followed. The slow ones and the ones who had done their

Hash House Harriets Penang

own walk/run also started to return and by 7.35pm all were out including Moira. She was so happy to have done the run and been able to observe the flora/fauna plus she finally got to see the waterfalls her father had been telling her about for years!

The food served was delicious and some even ordered dosai to go with the dhal, chicken and vegetables.

Thank you General for your generous hosting! A very good run, great food and for subsidising 5 crates of beer!

*Next week we are at Island Glades, Chinese Temple
for Auditor's virgin hosting with the Harriets
Please come and support her*

Burst, Skippy

May 10th proved to be an auspicious day for many reasons. First there was the not so small matter of the first change in Federal Government in Malaysia in 61 years. Second and this was more frightening, the advent of “The Generals” run at Chin Farm in Batu Ferringhi. Previously I had only visited Batu Ferringhi to eat and get pissed, I didn’t know there was anything else to do down there.

The word on the street, (The General) leading in was that he was going to set two runs, a long and short and that the long run was to be a “runners run” whatever that means of anything up to 7 kms!!!. The feeling of apprehension was further enhanced with Justbeer contacting the two very slow runners from the antipodes Botak Chin and Skippy to tell us we should start early, around 4.30pm. So at around 4pm Botak Chin and Skippy arrived at the run aside accompanied by Miss Bollywood and Miss Wendy the litter bug. The two of us set off at 4.15pm hoping to be back by dark and expecting the worst.

The up was long but the General true to his work had set a pretty clear path. Botak Chin as he does always carries enough GPS devices to navigate deep space so it is always a little demotivating after you have been running nearly one hour feeling exhausted when he tells you we had only covered 27 meters so far leaving what we thought nearly was 6kms to go.

We started the down still not knowing how far to the finish, and fully expecting at least another significant up somewhere. Not long after reaching the waterfall and crossing the water and still expecting another up in this run who should we run into but Ronnie Tour skipping down the trail, coming from the wrong direction. Ronnie a dinner club regular and choirmaster is not usually found in the depths of the jungle, what was going on?

Ronnie duly informed us he was out to pick some flowers and that we were just 10 minutes from the run site. Botak Chins multiple GPS machines were at this stage saying we had completed only 35 metres in 2 hours but we were not complaining.

Leaving Ronnie to his picking and returning to the run site we passed the usual dinner club/walking crew and a lost and confused “Period”. She was insisting on doing the full run but could not find the start. Botak Chin generously showed her the way and even offered her some light, so off she went by herself at 6.15pm.

Dry Fuck was the first of the real front runners to return around 7pm and true to his name not a drip of sweat to be seen soon to be followed by Drippy Dick who looked the exact opposite.

The General had organised a great dinner at Vsassy Café with lots of Subsidised beers, the food was excellent and the mood high due to the beer, whiskey, and maybe the election result. Before circle I happened to over hear Botak Chin asking Frozen Pussy for her running tights, I didn’t know he was a cross dresser so I will reconsider my running partner options in the future. Anyway Circle was completed, with visitors and the usual suspects on ice and the night culminating for many watching the swearing in of the new Prime Minister.

Thanks General, Chin Farm and Vsassy Café and Pakatan for putting on a great run and memorable night.

Announcements On Sec

1. When a bunny/hare invite guests for the run, then the bunny/hare has a choice to either pay guest fees for them or during the circle when the guests are being introduced to buy the circle beers for them.
2. The outstation run to Ipoh is postponed to a later date.

Circle

1. First on ice was the very fleet footed Dry Fuck.
2. Welcome the guests with Wendy, Bananaman, James, Dry Fuck, Moira, Hot & Spicy, Wu Kong, Adelya. We hope you all enjoyed the evening.

3. A charge by the GM saw Miss Bollywood on ice. She was charged with murdering a song which she was trying (badly) to sing. She was asked to practice in the confines of her own house before she sings in public again!
4. Our old member Hot & Spicy was honoured next. She came to support as it was a holiday. Whatever the reason, good to see you once again.
5. A charge by Skippy saw Frozen Pussy on ice. The charge was for collecting funds for her ticket back home by raffling a pair of tights.

6. Counterfeit then charged Biking Sheila. On the way to the run site she had seen BS with the PH flag fluttering behind her. But as they stopped at the traffic light BS decided not to wait and sped off against the red light, flag waving merrily behind her.

7. The last icing was for the host of the evening, General. Many thanks for a very good run, great food and the 5 crates of subsidised beer.

Funnies

Honey, what will you give me
for our 25th anniversary?

-

A trip to Thailand?

-

Wow, that's awesome,
and for our 50th anniversary?

-

Then I pick you up again.

Newlyweds wake up one morning on their honeymoon and the man suggests:

“Darling, why don’t you brew us some coffee?”

Wife looks confused: “But that’s your task, honey.”

“What? Why?”

“It’s all over the Bible, dearest.”

“The Bible says nothing about who’s supposed to be brewing coffee!”

The wife grabs hold of a copy and starts flipping pages at random: “See? Everywhere: Hebrews, Hebrews, Hebrews.”
