## Newsletter 1930

### GM's Note

**Run 1929, 19<sup>th</sup> March 2009.**

Oh dear! What a lousy start for the new GM, two members and a guest lost in the jungle! Thank you to the guys – Silent Man, General and Coming Soon who went in to find the lost souls – Sylvian and her pupil and Grasshopper I hope the rest of the year will be better. There were two guests at the run besides Sylvian's pupil – Bendover and Heather. There were 37 members at the run. Thanks to Annalies, the hare, for providing delicious food.

For those of you that don't know me well, I have Malaysia My Second Home and I am a retired school Principal. I have been a hasher for many years and have hashed in Kuala Lumpur (Harriets where I was GM and Petaling Hash), Kimbe which is in Papua New Guinea and Medan (Harriets and Sumatra – GM in both and Sunday Hash. I believe that Hash is for fun and that all runners are equal because they go in the jungle and come out dirty. I hope that Thursday Hash will be a place to have fun and enjoyment. Please help me to achieve that.

For those of you that do not have a computer we will provide a Photocopy of the newsletter if you identify yourself to Justbeer.

We have not been receiving Bursts so we will not demand them. However if you would like to write something for the newsletter, Justbeer will always include it. She will also write a burst herself when the run has been special or there are noteworthy things worth sharing. Harriet's are supposed to have their own plate and cutlery to reduce the waste of disposable items but so many complaints are made by members who come straight from work that they do not have time to deal with such things -so it may be better to revert to the hare providing these- some caters provide plates that they then wash up- a perfect solution.

For the Harriet's Bank accounts there must be two signatures and they will be from Edna, Speedhound and myself.

Have a good week, see you Thursday

### *Funnies*

Giorgio has been in the US for about 6 months. He walks to work every day and passes a shoe store. Each day he stops and looks in the window and admires a certain pair of Boccelli leather shoes. After about 2 months he saves the \$300 the shoes cost, and purchases them.

Each Friday night the Italian community gets together at a dance at the church basement, so Giorgio seizes the opportunity to wear his new Boccelli leather shoes to the dance.

He asks Sophia to dance and as they dance he asks her, "Sophia, do you wear red panties tonight?"

Sophia, startled, says, "Yes, Giorgio, I do wear red panties tonight, but how do you know?"

Giorgio replies, "I see the reflection in my new \$300 Boccelli leather shoes. How do you like them?"

Next he asks Rosa to dance, after a few minutes he says to her, "Rosa, do you wear white panties tonight?"

Rosa answers, "Yes, Giorgio, I do, but how do you know that?"

He answers "I see the reflection in my new \$300 Boccelli leather shoes. How do you like them?"

Now the evening is almost over and the last song is being played, Giorgio asks Carmella to dance. Mid way through the dance his face turns red. He says, "Carmella, please, please, tell me you wear no panties tonight, please, please, tell me this a-true."

Carmella answers, "Yes Giorgio, I wear no panties tonight."

Giorgio gasps and says ...."Thanka God ... I thoughta I had a CRACK in my \$300 Boccelli leather shoes. How do you like them?????"
