Run Note

An improved turnout of 41 members plus the added bonus of 3 new YOUNG members, Felicia, Miki and Chris, long may they survive!! The run was longish because it was a joint run with the very fit members of the FTAC. However I have it on good authority that some members of that illustrious group also SCB!!!!!! I know since I saw them!!!! There is no burst this week as the scribe failed to appear but the run was very good, lots of up and down and traversing until we hit the on down near marker 19 (hash trail). What a great on down but I wouldn't like to do it in the wet!!!!!!!!!! The food was plentiful and good!! So thanks to Uncle Bee for the exercise and the makan!

As you can see the Hareline is published for the year. To complete it, we do need to have your venues as soon as possible especially for the coming runs 147-156. However I would like ALL sooner rather than later. **PLEASE LET ME HAVE YOUR VENUES!!!! PLEASE PLEASE PLEASE!!!**

Just to remind you all that we have reverted to the Bunny/Hare of the day in providing plates/cutlery etc. If you still want to use your own **PLEASE** do so.

If you have a problem setting your run please contact a member of the committee. I have the hash paper please let me know if you need it!

Don't forget Samy's 50th birthday party at Indian Rovers Club 20th June 2009.

I have some sad news to report.... Angelique is leaving Penang for Holland at the end of the month! So soon!!! We of course wish Angelique and Luc all the best for their future and hope to see them running again with us in Penang in the not too distant future. As a goodbye gesture to them, a dinner is being arranged at White Beach Restaurant on the 19th June. Please contact Spiky Annie or Bibi Tulips for details.

Funny Stuff!!!!

Five cannibals get appointed as programmers in an IT company.

During the welcoming ceremony the boss says: "You're all part of our team now. You can earn good money here, and you can go to the company canteen for something to eat. So don't trouble the other employees". The cannibals promise not to trouble the other employees.

Four weeks later the boss returns and says: "You're all working very hard, and I'm very satisfied with all of you. One of our developers has disappeared however. Do any of you know what happened to her?" The cannibals disown all knowledge of the missing developer.

After the boss has left, the leader of the cannibals says to the others: "Which of you idiots ate the developer?"

One of the cannibals raises his hand hesitantly, to which the leader of the cannibals says: "You FOOL! For four weeks we've been eating team leaders, managers, and project managers and no-one has noticed anything, and now YOU ate one developer and it got noticed. So hereafter please don't eat a person who is working!!!
