GM'S notes

Hi Everyone,

How can it be February already? It was only just Christmas! 39 members and 2 guests (Guna and Tanya) were at the Ivory Towers run site this week for Black German's run. In the circle Black German told us there were no checks, it was a simple straight forward run but it was God's driest country and would be slippery. Bums might be needed in the negotiation of the trail and that those females who hadn't had it lately (He can't surely have meant that a Harriet would be in this position???) would be able to spread their legs.

We entered the trail straight ahead and soon turned right. We had to negotiate overgrown bushes, vines and grass and then scramble onto the bare rocks where the stretching of legs and the use of bums and knees (This is starting to sound like one of Monty's songs!) was clearly in evidence.

I was just getting into the rhythm of the scramble when a long snake shot across my path. I stamped on the rock and it shot off to the left and then down towards the runners behind. Goodyear yelled on snake and we both hoped the noise of the pack would keep it at bay.

The run continued in its ever upward mode until we got to a ridge and then we started on the downward trail which was like a ski slope but luckily there was enough vegetation to stop a disastrous slide. I slowed down on some of the really slippery bits as an injury would put me out of action for far too long. I lost sight of the front runners but Hard Khaw caught me up and not

long after we bumped into Huge and then Night Runner and realized that without intending to we had crossed onto the ingoing trail. We were too lazy to retrace our steps and Hard Khaw found a great way back to the run site.

We had the briefest circle ever. The only charge was for Black German, the hare. The run was declared great, the food delicious and the location very suitable.

Many thanks Black German for another great Thursday evening.

See you all next week.

On on

Due to some resignations and the need for some people to swap their run dates, please read the Hareline thoroughly. I am sorry some information is last minute but that is all the notice I have received and I have got it out to the members as soon as I could. PLEASE if you have a problem setting your run contact a member of the committee as soon as possible but no less than eight weeks prior to your date. Less than this and it becomes **YOUR responsibility to find a swap!!! I have the hash paper please let me know if you need it!**

Just to remind you all about safety on the runs. Although our runs tend to be shorter than other Chapters we nevertheless do have runs that mean some slow runners will come out in the dark. It is advisable to always carry water, a torch and if you have one, a mobile phone....just in case. We hope all our members are always safe but accidents do happen!

Funnies

The other day I was in an empty pub having a quiet beer by myself. The door opened and in walked the most stunning woman I've ever laid eyes on. 5'11" tall, stunning blue eyes, silky blonde hair, an hourglass figure barely covered by a tiny mini skirt and a flimsy cotton top.. I could see she was not wearing a bra and her incredibly firm breasts were on show.

After watching her walk in, I turned back to my beer. No sooner had I taken a sip when I turned to see her pulling another bar stool up close to me and sitting down. She said 'Hi', and I said 'Hi' in return. She asked how I was and took my hand and placed it on her perfect inner thigh, rubbing it up and down.

'So, does that make you feel good ?' she asked. 'I'll bet you feel good,' she continued. 'In fact, I'll bet you've never felt this good before.'

'Well, I have,' I corrected her. 'You see, when I was 18, I was picked to play for the school 1st. XV in the Public School Finals in front of a crowd of about 3000 and I felt really good.'

I immediately felt a bit pathetic saying that and I thought she would get up and go but she took my hand off her thigh and put it up the front of her top. Her nipple pushed into my palm as she massaged my hand into her pert, perfect breast.

'How do you feel now,' she purred.

'OK', I replied.

Again, she said, 'I'll bet you do. In fact, I'll bet you've never felt this good before!'

Unbelievably, I heard myself saying, 'Well, actually I have.. In that game, we were down by six points with about 20 seconds left in the match. The Opposition kicked the ball deep into our half of the field, where I caught it... I ran up field, side-stepping past the first few defenders, handed off a couple of would-be tacklers, burst through a few forwards, chipped over their fullback, regathered and scored a Try right under the posts with about 2 or 3 seconds 'till full time. We were still behind by one point, but I had a simple kick at goal, with which to win the match and..'

"Ahhh...." she growled between clenched teeth, more than a bit miffed, pulled my hand from under her top and thrust it down the front of her skirt. My fingers immediately met what felt like a wisp of soft cotton, and she was ready !!!!

She whispered, 'Well tell me this, Mr. Rugby Man: Have you ever felt such a perfect 'c..t?'

'I certainly have,' I answered, 'When I missed that kick.'
