GM's notes

Hi Everyone,

35 members attended Gangreen's run at the entrance to Jesselton. The hare told the circle it was a short to 'rong' run with a few checks. He said with his crook ankle it had been a marathon for him.

We set off towards the new car park but then did a left turn by the side of the new construction for Pusat Informasi and wound round to the usual track which is getting very overgrown. The FRBs, Good Year and Marks and Spencer were then heard calling checking and were obviously climbing upwards but when we got to paper's end it was a bar.

Take Care had checked one of the back upward tracks and was seen violently shaking his head. Pussy cat (Lily) had a hunch and p[lunged down the hill and was soon heard calling "on paper". Off we all wandered again, climbing upwards until we got to the open area with the rocks. And check number 2 was found. Marks and Spencer had rejoined us and was saying it couldn't be to the left where we were looking but must be right or up.

Various good souls struck off to the right but later returned and the back runners started to

climb up the hill over the rocks. For the want of something better to do we began to spread out a bit and climb up. We were moving in ever decreasing circles – in other words just faffing about when Pukka Sahib said, 'We're too far from the check, it was billed as short, someone has found paper by now but is not calling. We've got a choice go back or go up and over". Going back seemed a whimpy thing to do, so we went up.

It wasn't long before we had lost the back runners. They had opted to go back once they were gasping for breath. So we were down to 5. Marks and Spencer moves with more alacrity than the rest of us so reached the top first but came back to us as he had seen a 4 ft. cobra on the path ahead. As he had a dinner, he decided at this point to go back the way we had come.

That left the 4 intrepid hashers -Pukka Sahib, The General, Speedhound and myself. We went down to the left to just above the Astro Rock where we had a clear view of the race course. From there we skirted up to the right and over the rocks to the down path to Jesselton.

Eventually got back to the site and lots of catcalling and verbal abuse.

We had a brief circle. First on ice was Toddy Tan. Congratulations Toddy for doing 100 runs. Next Goodyear was called into the circle and we wished him and Mini Sausage good luck in the Challenge Run. Uncle Bee called Sammy into the circle and thanked him for giving an advert in the 2000th magazine. Next GM was iced for finally completing 100 runs. Last on ice was the hare, Gangreen. Every one thought the run was great, the food delicious and location good.

Many thanks Gangreen for another great Thursday evening.

Funnies

A young Chinese couple gets married. She's a virgin.

Truth be told, he is a virgin too, but she doesn't know that.

On their wedding night, she cowers naked under the sheets as her husband undresses in the darkness.

He climbs into bed next to her and tries to be reassuring.

"My darring," he whispers, "I know dis you firss time and you berry frighten.

I pomise you, I give you anyting you want, I do anyting juss anyting you want.

You juss ask. Whatchu want?" he says, trying to sound experienced and worldly, which he hopes will impress her.

A thoughtful silence follows and he waits patiently (and eagerly for her request).

She eventually shyly whispers back, "I want to try someting I have heard about from other girls... Nummaa 69."

More thoughtful silence, this time from him. Eventually, in a puzzled tone he asks her..

"You want... Garlic Chicken with corrifrowa?"
