GM'S notes

Hi Everyone,

We are already half way through May, where does the time go?

33 members and four guests (Tin-Tin, Jay, Loon and Woon) gathered at the new car park in the Youth Park for Sai Seng's run. In the circle the Hare told us it was a medium run with one bar.

Off we all galloped towards the usual path. Mini Sausage was heard complaining that he was already tired because the start was so steep and he needed Pussy Cat and Speed Hound to pull him up the hill- well I guess there is no harm in trying it on but the two ladies remained deaf to his needs!

When we reached the track we crossed it and then started on a left sweep through virgin territory which signaled the type of run we were on. After an upward struggle via rocks and thorns we were back momentarily on the track and groans of well we should see the SCBs now were heard.

Very soon we had to leave the track and enter the jungle via a very slippery, steep slope. The guys in front of Mini were making hard work of it but Mini leapt up and then turned round and hauled myself, Pussy Cat and Speed Hound up – Gallantry is not yet dead!

We then continued to skirt and struggle up, over huge slippery rocks, under vines and creepers and through thorny bushes until we got to the top. We veered off a bit and then heard the

shout,"Bar"

This is where it all went wrong for most of us. Mini found the paper and continued but when we heard 'on paper' we were some way from the call and Take Care knew the route back, so like sheep several of us followed. Our excuse was we had already lost one layer of skin to the thorns.

It was a very enjoyable virgin run.

We had a very short circle. First on ice was Bill who had recently celebrated his 16th birthday again. We then put Memsahib on ice to thank her for the previous week's excellent run and food and the shelter of the big broolly. Next Mini was iced as a congratulation for completing the recent Challenge Run in Ulu Langat. The guests Jay, Loon and Woon were welcomed as it was their first run with the Harriets and the latter two think they will join next week. Mini then iced Beauty Queen for the heinous crime of using the phone in the circle. Tin- Tin and Bendover were then awarded with an icing for their great rendering of Chinese songs in the last few weeks. Last on ice was the hare – Sai Seng. It was generally agreed that the run was excellent, the food fabulous and the location good except for the lack of shelter.

Many thanks Sai Seng for another marvelous Thursday evening

Funnies

An elderly couple were on a cruise and it was really stormy. They were standing on the back of the boat watching the moon, when a wave came up and washed the old woman overboard. They searched for days and couldn't find her, so the captain sent the old man back to shore with the promise that he would notify him as soon as they found something. Three weeks went by and finally the old man got a fax from the boat. It read: 'Sir, sorry to inform you, we found your wife dead at the bottom of the ocean. We hauled her up to the deck and attached to her butt was an oyster and in it was a pearl worth \$50,000. Please advise.' The old man faxed back: 'Send me the pearl and re-bait the trap.'
