### Newsletter 1993-4

#### *GM'S notes*

Hi everyone,

There were 38 members at TAR college shop lots for T.T.Yeoh's run. In the circle we welcomed Woon as a new member and Chan as a guest. The hare told us it was a long run, there were no checks, and that slow runners should take a torch and super, slow runners should take camping equipment. He gestured to show us the direction in which to start.

Off we all trundled towards the water tank and entered the jungle to climb the steep slope to the right. It was the familiar start involving crossing the open area but recent runs have then taken the left direction but we went straight up the hill and then skirted right.

There was a lot of clambering over roots, rocks and lianas and unwrapping ourselves from vines but the path skirted more often than it went up and although it was very slippery in places, it made a welcome change from the usual challenging cliff climb.

We continued skirting right and winding upward a bit and then dropping down a while and up again until we hit the distinctive down trail. This brought us out to the fenced in drain which we ran by the side of until we were in the farmer's land. T.T was on the road back to greet us.

We had a short circle and first on ice was Monty because his chair was over the ice. Sperm whale was next. He was welcomed back and berated for not wearing a hash T-shirt. Ronnie Tour was

then called in and asked what his results were and as he had passed his exam with flying colours he was loudly congratulated. Justbeer then charged TT Yeoh because she said she could find every kind of paper except Harriet's. Take Care and Edna gave him an iced water christening which he took in good spirit. The hare was then called in so T.T. was back on ice. The assembled members deemed it a good run, the food excellent and a fine location.

Many thanks T.T. for another fantastic Thursday evening.

The club sends best wishes for a quick recovery to Goodyear.

A number of subs are yet unpaid. Please pay up as soon as possible. The On Cash shouldn't have to keep chasing you!!!

**Don't forget that this week there are TWO runs. One as normal on Thursday and the last of our special runs on Friday. Please give your support to both runs.**

## *Funnies*

George Bush was sitting in his office wondering whom to invade next when his telephone rang.

'Hello, Mr. Bush!' a heavily accented voice said, 'This is Gurmukh from Phagwara, District Kapurthala, Punjab .. I am ringing to inform you that we are officially declaring the war on you!'

'Well, Gurmukh,' Bush replied, 'This is indeed important news! How big is your army'

'Right now,' said Gurmukh, after a moment's calculation, 'there is myself, my cousin Sukhdev, my next door neighbor Bhagat, and the entire kabaddi team from the gurudwara. That makes eight'

Bush paused. 'I must tell you, Gurmukh that I have one million men in my army waiting to move on my command.'

'Arrey O! Main kya..' said Gurmukh. 'I'll have to ring you back!'

Sure enough, the next day, Gurmukh called again.

'Mr. Bush, it is Gurmukh, I'm calling from Phagwara STD, the war is still on! We have managed to acquire some infantry equipment!'

'And what equipment would that be, Gurmukh' Bush asked.

'Well, we have two combines, a donkey and Amrik's tractor.'

Bush sighed. 'I must tell you, Gurmukh, that I have 16,000 tanks and 14,000 armored personnel carriers. Also, I've increased my army to 1-1/2 million since we last spoke.'

'Oh teri....' said Gurmukh. 'I'll have to get back to you.'

Sure enough, Gurmukh rang again the next day.

'Mr. Bush, the war is still on! We have managed to get ourselves airborne..... We've modified Amrik's tractor by adding a couple of shotguns, sticking on some wings and the pind's generator. Four school pass boys from Malpur have joined us as well!'

Bush was silent for a minute and then cleared his throat. 'I must tell you, Gurmukh, that I have 10,000 bombers and 20,000 fighter planes. My military complex is surrounded by laser-guided, surface-to-air missile sites. And since we last spoke, I've increased my army to TWO MILLION!'

'Tera pala hove....' said Gurmuk, 'I'll have to ring you back.'

Sure enough, Gurmukh called again the next day.

'Kiddan, Mr.Bush! I am sorry to tell you that we have had to call off the war.'

**'I'm sorry to hear that,' said Bush. 'Why the sudden change of heart'**

**'Well,' said Gurmukh, 'we've all had a long chat over a couple of lassi's, and decided there's no way we can feed two million prisoners of war!'**

**NOW THAT'S CALLED PUNJABI CONFIDENCE !!!!**
