## Newsletter 1997

### *GM'S notes*

Hi Everyone,

There were 45 members and six guests (Jessica, Tintin, Bum Deal, Horse's Arse, Lim Chi Bai and Cruiser) for Bibi Tulip's run at TAR college. The Bunny told us it was a short simple run with no checks or bars and that if you couldn't see paper to go straight.

We set off along the familiar track at a steady walk which slowly changed to a jog. We soon entered the jungle and all familiarity was lost as we bent under branches, wrapped ourselves in vines, got scratched by thorns and scrambled over rocks. Yes, it was a virgin track.

The actual on up then started. It was steep and as it had rained recently and the slope had a covering of leaves it was slippery but in spite of the moans and groans we all lunged and dragged and got ourselves to the top.

The on down was also quite steep and slippery but you could jog most of it if you were not too ambitious about speed. This brought us to the small Chinese temple and then by the river across to the track and home.

The Bunny had been reasonably accurate the run was not long but it was not simple, it contained plenty of challenge!

We had a short circle. First on ice was Annelies who was congratulated for completing 700 runs. Well done Annelies. Then we iced Lim Chi Bai to welcome Pi GM to Thursday Harriets. Next we iced Cruizer as a welcome back to Penang. Bum Deal and Horse's Arse were iced as visiting hashers who are en route to Kuching. Pentium 3 was iced to welcome her back. Lim Chi Bai then iced GM for the heinous crime of smoking in the circle. Finally the Bunny was iced and the circle unanimously declared a good run, good food and a great location.

Many thanks Bibi Tulips for another brilliant Thursday.

## *Funnies*

**A group of 40-year-old girlfriends discussed where they should meet for dinner. Finally, it was agreed upon that they should meet at the Ocean View Restaurant, because the waiters there were good looking and had great bodies.**

**10 years later, aged 50, the group once again discussed where they should meet for dinner. Finally, it was agreed that they should meet at the Ocean View Restaurant, because the food there was very good and the wine selection was good, too.**

**10 years later at aged 60, the group discussed where they should meet for dinner. Finally, it was agreed that they should meet at the Ocean View Restaurant, because they could eat there in peace and quiet and the restaurant had a beautiful view of the ocean.**

**10 years later, aged 70, the group once again discussed where they should meet for dinner. Finally, it was agreed that they should meet at the Ocean View Restaurant, because the restaurant was wheel-chair accessible and even had an elevator.**

**10 years later, aged 80, the group once again discussed where they should meet for dinner. Finally, it was agreed that they should meet at the Ocean View Restaurant, because they had never been there before.**

### **The 11thHusband....**

**A young man married a beautiful woman who had previously divorced 10 husbands. On their wedding night, she told her new husband to 'Please be gentle; I'm still a virgin'.**

**'What?' said the puzzled groom. 'How can that be if you've been married ten times?'**

**'Well, husband # 1 was a Sales Representative; he kept telling me how great it was going to be.**

**'Husband # 2 was in Software Services; he was never really sure how it was suppose to function; but he said he'd look into it and get back with me.**

**'Husband # 3 was from Field Services; he said that everything checked out diagnostically but he just couldn't get the system up.**

**'Husband # 4 was in Telemarketing; even though he knew he had the order, he didn't know when he would be able to deliver.**

**'Husband # 5 was an Engineer, he understood the basic process but he wanted three years to research, implement, and design a new state of the-art method.**

**'Husband #6 was from Administration; he thought he knew how but he wasn't sure whether it was his job or not.**

**'Husband # 7 was in Marketing; although he had a product, he was never sure how to position it.**

**'Husband # 8 was a Psychiatrist; all he did was talk about it.**

**'Husband # 9 was a Gynecologist; all he did was look at it.**

**'Husband # 10 was a Stamp Collector; all he ever did was..... God I miss him!**

**' But now that I've married you, I'm so excited'.**

**'Wonderful', said the husband, 'but why?**

**'You're with the 'GOVERNMENT'.. This time I KNOW I'M gonna get SCREWED .'**
