## Newsletter 2015

### [Notes from the GM](#)

Finally I am back from holiday and what a lovely welcome back I got last night! There were 36 members and 2 guests (Wanker and Jean-Paul) at Belly Bitch's run in Bee Gallery. Members were reminded that after next week's run in Charlie Market there will be a "Thank you" dinner at White Beach.

The run started up the small path that goes by the Indian temple. Wanker duly berated me for bringing the rain from England to help me deal with my return. This route is familiar but I hadn't done it for a long time. The on up is fairly demanding but is pleasant. Because I hadn't clambered up any hills for some while I was slow enough to arrive at the check just as it was solved.

Of course, the trail continued upward. And the on down was steep but as there were ropes strung along the path at intervals, it was easy enough to negotiate and hence not long before we found ourselves back in the Botanic Gardens.

I started the jog back to the cars but I caught up with Whatever which was a great excuse to walk and have a chat.

Shortly after, the rain started to tip down and so we spent the evening chatting and socializing as

there wasn't a dry enough space to have a circle.

Many thanks to Belly Bitch for providing delicious food and a delightful evening.

## **Funnies**

*Well, I lost the Trivia Contest by 1 point, during our church's pot-luck dinner last night!*

Not only did I get the last question wrong, but was immediately asked to leave.

The question was: "Where do women have the curliest hair?"

...Apparently, the *correct* answer was 'Fiji Islands'.

A guy went out duck hunting and, after leaning his gun against a fence, a gust of wind blew his gun over and it discharged shooting him in the lower abdomen.

Several hours later, lying in a hospital bed, he was approached by his doctor.

"Well sir, I have some good news and some bad news. The good news is that you are going to be OK. The damage was local to your groin, there was very little internal damage and we were able to remove all of the birdshot."

"What's the bad news?" asked the hunter.

"The bad news is that there was some pretty extensive birdshot damage done to your penis which left quite a few holes in it. I'm going to have to refer you to my sister."

"Well I guess that isn't too bad," the hunter replied. "Is your sister a plastic surgeon?"

"Not exactly," answered the doctor. "She's a flute player in the Symphony Orchestra. She's going to teach you where to put your fingers so you don't pee in your eye."
