## Newsletter 2032

### [Notes from the GM](#)

Hi Everyone,

It was so good to see you last night –I have really missed the Harriets!

Bon voyage to Uncle Bee who is off to Canada next week. Have a great trip and come back with a healed ankle. Au revoir to Bommy who is going back to Australia. It has been great to catch up with you. Make your next visit is soon.

As it was Thaipusam the whole of Jalan Utara and all the surrounding roads for a kilometer were totally jammed up, I thought the turn out for Kiss Me's run would be small but I had forgotten how enterprising Penangites can be when they want to. There were for instance more motorbikes than usual.

32 Members & 5 guests ( Titanic Dickhead, Bommy, G, Yo and Geoff ) assembled at Mount Pleasure and in the circle we were told it was a medium run and there were two bars. Off we went towards the Indian Temple and took a left turn just beside the usual rocks.

We then skirted round the hill slowly getting higher. At the top we veered off to the left and started to go down but soon Bommy saw the two bars and called. The front runners started to backtrack but soon heard a distant call of "On –on" and raced towards it.

Just as we had slotted into place someone realized we were on the wrong paper. Bommy and I turned round and headed back towards the bar but we looking for paths or paper and we soon saw the paper down a couple of terraces.

We then skirted round the hill this time towards the right and then scrambled up the hill to the top. Mini had found the second bar and was keeping Bommy and Goodyear hostage on it so we would all have to get there! While the men were messing about and congratulating themselves on fooling us, Pussy Cat and myself started on the downward track. Momentarily Bommy was with us but then he went back presumably to check on the men.

The on down was very dry and in places steep so there was a fair amount of slipping and sliding but most of it could be jogged. We were soon back at the cars having thoroughly enjoyed the workout.

Sammy announced very early on that he wanted to leave early and get back to Thaipusam and as he didn't have any ice we would have to go without the circle. He had been very generous earlier giving out free beers so we decided this was more than fair enough. He left some beer behind and Edna collected the cash – many thanks Edna- great job. The evening was spent drinking and chatting and was very pleasant.

The problem with not having a circle is that we did not thank Kiss Me properly. Kiss Me put on a great meal which included paella and Brownies and gave rum cocktails and a crate of beer. Very many thanks for such a great evening.

## **Funnies**

**Two elderly ladies are sitting on the front porch in** Bonita Springs, Florida doing nothing.  
One lady turns and asks, 'Do you still get horny?'

The other replies, 'Oh sure I do.'

The first old lady asks, 'What do you do about it?'

The second old lady replies, 'I suck a lifesaver.'

After a few moments, the first old lady asks, 'Who drives you to the beach?'

**Three old ladies were sitting side by side in their retirement home in Ft. Lauderdale** reminiscing. The first lady recalled shopping at the green grocers and demonstrated with her hands, the length and thickness of a cucumber she could buy for a penny.

The second old lady nodded, adding that onions used to be much bigger and cheaper also, and demonstrated the size of two big onions she could buy for a penny a piece..

The third old lady remarked, 'I can't hear a word you're saying, but I remember the guy you're talking about!!'

\*\*\*\*\*

**A little old lady was sitting on a park bench in The Villages, a Florida Adult community.** A man walked over and sits down on the other end of the bench. After a few moments, the woman asks, 'Are you a stranger here?'

He replies, 'I lived here years ago.'

'So, where were you all these years?'

'In prison,' he says.

'Why did they put you in prison?'

He looked at her, and very quietly said, 'I killed my wife.'

'Oh!' said the woman. 'So you're single...?!'

**Two elderly people living in Ft. Myers ,** he was a widower and she a widow, had known each other for a number of years. One evening there was a community supper in the big arena in the Clubhouse.

The two were at the same table, across from one another. As the meal went on, he took a few admiring glances at her and finally gathered the courage to ask her, 'Will you marry me?'

After about six seconds of 'careful consideration,' she answered 'Yes. Yes, I will!'

The meal ended and, with a few more pleasant exchanges, they went to their respective places. Next morning, he was troubled. 'Did she say 'yes' or did she say 'no'?'

He couldn't remember. Try as he might, he just could not recall. Not even a faint memory. With trepidation, he went to the telephone and called her..

First, he explained that he didn't remember as well as he used to. Then he reviewed the lovely evening past.. As he gained a little more courage, he inquired, 'When I asked if you would marry me, did you say ' Yes' or did you say 'No'?'

He was delighted to hear her say, 'Why, I said, 'Yes, yes I will' and I meant it with all my heart.' Then she continued, 'And I am so glad that you called, because I couldn't remember who had asked me.'

\*\*\*\*\*

**A man was telling his neighbor in Miami ,** 'I just bought a new hearing aid. It cost me four thousand dollars, but it's state of the art. It's perfect.'

'Really,' answered the neighbor. 'What kind is it?'

'Twelve thirty.'

**A little old man shuffled slowly into the 'Orange Dipper', an ice cream parlor in Naples , and pulled himself slowly, painfully, up onto a stool.**

**After catching his breath he ordered a banana split.**

**The waitress asked kindly, 'Crushed nuts?'**

**'No,' he replied, 'hemorrhoids'**
