## Newsletter 2034

### [Notes from the GM](#)

Hi Everyone,

There was a good turnout for Speedhound's First Day of Chinese New Year Run at the Big Car Park in Waterfall Rd. In the circle we welcomed the guests and the Bunny told us it was a medium run with a check and a bar. We were told the start was forest fields which didn't mean anything to most of us.

We started off towards Bee Gallery and luckily Rambo knew where to go and mentioned the Indian Temple so we started to get with it. Mini Sausage caught up, and as he knows most areas intimately, we were happy to slot in behind him and follow his lead. We clambered up the newly cleared path on concrete steps. Very different from the last time I had run here and had had to fight my way through dense undergrowth.

We veered left just before the temple, went down the steps into the small vale and then up the other side. We started to weave round to the left and up a bit and round some more and so on. We were just getting into a comfortable rhythm when Mini spotted the circle. He announced that we couldn't go down yet, as the run would be unbelievably short and began to check up the hill.

I am not a Chinese goat for nothing, so I stuck to Mini's heels like a leech! After checking up and not getting any success, Mini went over to the left and up and was soon calling "On on". We then started weaving round the hill to the serious on up. As Mini's Tuesday run had been a marathon virgin affair, our pace slowed to a stagger up the steep slope – the leg muscles were still sore as hell!

We didn't quite get to the top when we found the bar but obviously the Bunny was determined not to go in for lost souls as we could already see paper. We then started the very welcome on down. At first I could keep up with Mini but we got to a very steep slippery part, almost devoid of vegetation and as I can't afford to get injured (old age makes healing a ludicrously slow process) I soon lost sight of him.

I seemed to be slipping and sliding for a while but then suddenly the path got easy and I was at the Lily pond. I thought I should try to jog the lactic acid out of my muscles so the next run would be easier and set off at a reasonable pace through the Botanic Garden and along the road to the site. I almost caught up with Mini who had decided to walk the last bit.

Quite a lot of people arrived after the run to drink and make merry. Great to see hash can be attended after dealing with other commitments.

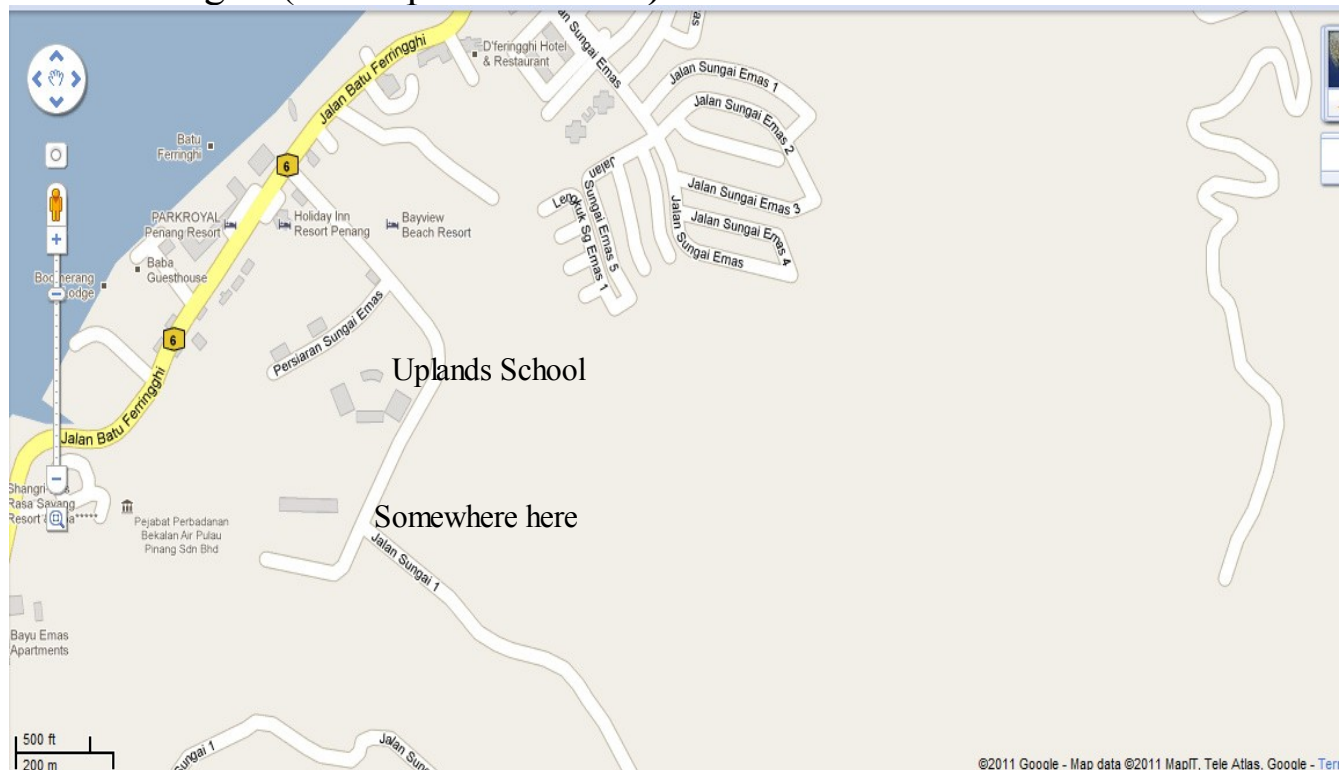

We had a short circle. First on ice was Good Licker who was congratulated and thanked for his great run and food the week before. Next we called Kissinger to sit on the ice and Kiss Me to sit on him. Kiss Me was congratulated and thanked for her great Thaipusam run. Then we iced Michael Longhair who had arrived so late he didn't go in until the front runners were already out. Last the Bunny was iced and everyone agreed it was a great run, delicious food (a really yummy curry) and a good location. As there were no charges from the floor ( what a relief – I was sure GM would be iced for going AWOL) the Chinese were wished Gong Xi Fa Cai and the circle was closed.

Many thanks Speed hound for another brilliant Thursday evening.

## **Funnies**

Murphy's' old lady had been pregnant for some time and now the time had come.  
He brought her to the doctor and the doctor began to deliver the baby.

She had a little boy, and the doctor looked over at Murphy and said. 'Hey, Murph! You just had you a son!

'Ain't dat grand!!' Murphy got excited by this, but just then the doctor spoke up and said, 'Hold on! We ain't finished yet!'

The doctor then delivered a little girl.

He said, 'Hey, Murph! You got you a daughter!!!! She is a pretty lil ting, too....'

Murphy got kind of puzzled by this and then the doctor said, 'Hold on, we ain't got done yet!'

The doctor then delivered another boy and said, "Murph, you just had yourself another boy!"

Murphy said to the doctor, 'Doc, what caused all of dem babies?'

The doctor said, 'You never know Murph, it was probably something that happened during conception.'

Murphy said, 'Ah yeah, during conception.'

When Murph and his wife went home with their three children he sat down with his wife and said, 'Mama, you remember dat night that we ran out of Vaseline and we had to use dat dere 3-in-1 Oil.'

She said, 'Yeah, I remember dat night...'

Murph said, 'I'll tell you, .....it's a good ting we didn't use WD-40.'
