[Notes from the On Sex](#)

Hi Everyone,

We have not run at the aquaduct for a very long time and many thought it was a new runsite but 22 runners and 9 guests (4 Iranians, 4 Japanese and a Brit!) were there for Linda 'Sex Bitch's' run. As we parked our car we saw the paper trail was going down to the stream and up the other side. With announcements out of the way, the stand-in bunny, Grace, pointed to the trail and down we went across the stream to the other side. Our 4 Japanese guests were a very young lot and Lucas soon got a group of willing hashers to act as their guide and practice Japanese vocabulary! The trail skirted the stream up and down and at one point we started going up, reached a platform and came across Alistair who was looking for paper. The trail continued down, crossed the stream again and Hugh and I soon split up looking for paper. James then shouted and pointed to the on down paper next to the pipeline. Just as we got to the bottom, Lucas and his bevy of Japanese belles were strolling in the garden, accompanied by the other willing 'guides'. Hugh soon joined them and I decided to stroll back to the runsite.

First on ice were the four Iranians who had such a good time downing beers and food. The four Japanese guests were next and had a giggly time on the ice. The bunny was then iced for setting a short but good run and good food plus achieving her 100th run. Birthday girl and boy Edna and Vithia were iced and birthday songs sung in different languages. Thank you for the good run and food Linda and thank you to Edna and Vithia for putting on a crate of beer.

Funnies

After being married for 44 years, I took a careful look at my wife one day and said, '44 years ago we had a cheap apartment, a cheap car, slept on a sofa bed and watched a 10-inch black and white TV but I got to sleep every night with a hot 25-year-old girl. Now I have a £500,000 home, a £45,000 car, nice big king sized bed and a plasma screen TV but I'm sleeping with a 69-year-old woman. It seems to me that you're not holding up your side of things.'

My wife is a very reasonable woman. She told me to go out and find a hot 25-year-old girl and she would make sure that I would once again be living in a cheap apartment, driving a cheap car,

sleeping on a sofa bed and watching a 10-inch black and white TV.

Aren't older women great? They really know how to solve your mid-life crisis!!!
