## Newsletter 2040

### **Notes from the On Sex**

Hi Everyone,

Are hashers strange people? Do we have two heads, tails, horns?? You would think so as we created quite a stir at the top of Tingkat Batu Ferringhi last week at Monty Python's run. Why do I say this? Look at the photos later on but we had a large audience of workers who came, sat, drank and watched us, as we conducted our evening activities. We should have charged! We would have made a fortune!!

Well it was Monty's run and he was proudly telling us it is a good run as it was set by maestros and indeed it was for those who did it. Mini Sausage met us just as we were going up the path on to the trail. He along with Ichi Bai had been contracted to set the trail and he lingered just long enough to ensure we found the right path which was **DOWNWARDS!** Marks and Spencer was in front but soon shouted "BAR" and even though others called for him to go across the bar he did not and kudos to him, went in search of the true paper taking the hashers with him. The real trail went across the waterpipe and then there was a long climb through the undergrowth and thick vines but everytime you got to what you thought was the top and you thought this was it, you found it was just a ledge and there was more to go. We pushed ourselves to the top, ledge by ledge and then thankfully hit the On Down paper. You can imagine how good that felt after the long climb. I made good time here and soon caught up with some of the hashers in front of me, namely G-String, Rambo and Horse. But what was this?? We went down but only to go back **UP!! AND UP AND UP!!!!** With no end seemingly in sight. The trail took us up over tiered ledges, almost man made and shallow streams. Finally we started to drop down and it was beginning to get

dimmer. Suddenly we heard a voice in the gloom and Samantha appeared. She had been lost and was going up again following wrong hash paper. She joined our merry band and we were quite relieved to finally reach the large water pipe that runs from Batu Ferringhi to the runsite. As we walked along this trail home we passed the turning down to Francis Corner and so we had come a long way in the climb and had still further to go back!! As you know this track goes up (quite steeply in places) and down (also steeply) many times!! As we reached each 'top' I assured myself it was the 'last' on up but it was only after some time walking in the dark that Rambo, who was in front, suddenly shouted “HOME”!!! Just as I got to the runsite Mini Sausage shouted “Good Run?” I gave him the thumbs up!!!

However we were not the last home. Five members took the turning down to Francis Corner when they hit the waterpipe track and had to be ferried home by Gman after calling him by phone!!!!

## **Funnies**

### **Sex, Church & Pancakes**

#### **Sex**

The mother of a 17-year-old girl was concerned that her daughter was having sex.

Worried the girl might become pregnant and adversely impact the family's status, she consulted the family doctor.

The doctor told her that teenagers today were very willful and any attempt to stop the girl would probably result in rebellion. He then told her to arrange for her daughter to be put on birth control and until then, talk to her and give her a box of condoms.

Later that evening, as her daughter was preparing for a date, the woman told her about the situation and handed her a box of condoms

The girl burst out laughing and reached over to hug her mother saying:

'Oh Mom! You don't have to worry about that! I'm dating Susan!'

#### **Church**

A man went to church one day and afterward he stopped to shake the preacher's hand . He said 'Preacher, I'll tell you, that was a damned fine sermon. Damned good!'

The preacher said, 'Thank you sir, but I'd rather you didn't use profanity.'

The man said, 'I was so damned impressed with that sermon I put five thousand dollars in the offering plate!'

The preacher said, 'No shit?'

## Pancakes

Brenda and Steve took their six-year-old son to the doctor.

With some hesitation, they explained that although their little angel appeared to be in good health, they were concerned about his rather small penis.

After examining the child, the doctor confidently declared, 'Just feed him pancakes. That should solve the problem.'

The next morning when the boy arrived at breakfast, there was a large stack of warm pancakes in the middle of the table.

'Gee, Mom,' he exclaimed. 'For me?'

'Just take two,' Brenda replied. 'The rest are for your father !!!!!!!!!!!'
