[Notes from the On Sex](#)

Hi Everyone,

The heavens opened and it poured all afternoon leaving most of us wondering about the run. At one time we thought we would not even be able to make it since the road was flooded outside our house but we managed to get the car out at 5.15pm!! Just in time!! Despite the weather the faithful gathered with a decent number of Hashers present. With the usual announcements out of the way, the Hare (Mini Sausage) pointed to the corner of the drain and up we went scrambling on wet ground. We skirted the fence to the construction site and picked our way through vines, of the foot, body and head variety, that tested both patience and perseverance. It was wonderful to see the hashers giving each other a helping hand over the steep terrain with no foot or handholds and at one time Akz Hole, who was ahead of me, was spewing forth colourful language as he lost his footing and slid down for the umpteenth time. Twice something either bit or stung me and all I had in mind was to get to the top of the ridge.

As Big Willy extended his long arm and I got over the last steep 'cliff' we found ourselves on the flat. From here it seemed like an obstacle course at times as we again had to pick our way through vines, crawl under fallen trees or push through the undergrowth. Then the On Down was a bit of a mud slide and you could tell where other people were from the shrieks resounding around the jungle. Finally we hit the dirt track that was cut through the jungle for the water pipe and on home we went. Mini had said the run was 'challenging' made even more so with the weather conspiring with him. So thanks Mini for a good testing run and great food.

Funnies

Russian is strolling down the street in Moscow and kicks a bottle laying in the street. Suddenly out of the bottle comes a Genie.

The Russian is stunned and the Genie says, "Hello master, I will grant you one wish, anything you want."

The Russian begins thinking, "Well, I really like drinking vodka."

Finally the Russian says, "I wish to drink vodka whenever I want, so make me piss vodka."

The Genie grants him his wish.

When the Russian gets home he gets a glass out of the cupboard and pisses in it. He looks in the glass and it's clear. Looks like vodka. Then he smells the liquid. Smells like vodka. So he takes a taste and it is the best vodka he has ever tasted.

The Russian yells to his wife, "Natasha, Natasha, come quickly!"

She comes running down the hall and the Russian takes another glass out of the cupboard and pisses into it. He tells her to drink up, it is vodka. Natasha is reluctant but goes ahead and takes a sip. It is the best vodka she has ever tasted. The two drink and party all night.

The next night the Russian comes home from work and tells his wife to get two glasses out of the cupboard. He proceeds to piss in the two glasses. The result is the same, the vodka is excellent

and the couple drink until the sun comes up.

Finally Friday night comes and the Russian comes home and tells his wife, "Natasha grab one glass from the cupboard and we will drink vodka."

His wife gets the glass from the cupboard and sets it on the table.

The Russian begins to piss in the glass and when he fills it his wife asks him, "But Boris, why do we need only one glass?"

Boris raises the glass and says, "Because tonight, my love, you drink from the bottle."
