Notes from the VGM.

Hi Everyone,

A new run site!! Good! I was all geared up to explore this area, if not for the dark sky and threatening storm that eventually did not happen....

Call him a traffic warden or guide but I met Lucas at the junction guiding the Hashers up the hill behind the new Farlim market since this was a new area for us.

We started off a little late since we waited for the late comers either caught in traffic or still looking for the site. We had several guests, Lim from PIH2, Valerie and her daughter Clarice from PH4 and a friend of Uncle Bee (sorry I forgot the name) along with 25+ members for the medium run set by Uncle Bee herself with some co-hares. Instructions from the Bunny were to follow Uncle Bee paper only and off we went.

Initially up the slippery pathway by the carpark and then onto the hillside which was also wet, muddy and slippery from the rains. Fearing the wet conditions Peggy and I trotted along behind the group with poor Peggy struggling up the hill and falling backward but getting back up to try again. We saw Take Care returning down as he could not complete the run due to an injury and I asked him to accompany Peggy back to run site safe and sound. Don't worry Peggy your bravery and determination will one day see you finish the run. Keep it up and success will come to you!

Now I was by myself and the few moments of silence and singularity I felt at the top of the Tembaga Hill was really enjoyable. As I descended I heard a shuffling sound that made me move faster and low and behold I spotted a big black wild boar but running in the opposite direction

thank goodness! Cold shivers drove me to move even faster which resulted in me having 2 falls!!

Night had fallen already as I headed homewards on the very pleasant run and back at the runsite I realised that I was the last to return but none the worse for my adventure.

Funnies

A Husband takes his wife to play her first game of golf. Of course, the wife promptly hacked her first shot right through the window of the biggest house adjacent to the course.

The husband cringed, 'I warned you to be careful! Now we'll have to go up there, find the owner, apologize and see how much your lousy drive is going to cost us.'

So the couple walked up to the house and knocked on the door. A warm voice said, 'Come on in.'

When they opened the door they saw the damage that was done: glass was all over the place, and a broken antique bottle was lying on its side near the pieces of window glass.

A man reclining on the couch asked, 'Are you the people that broke my window?'

'Uh...yeah! , sir. We're sure sorry about that,' the husband replied.

'Oh, no apology is necessary. Actually I want to thank you. You see, I'm a genie, and I've been trapped in that bottle for a thousand years.

Now that you've released me, I'm allowed to grant three wishes. I'll give you each one wish, but if you don't mind, I'll keep the last one for myself.'

Wow, that's great!' the husband said. He pondered a moment and blurted out, 'I'd like a million dollars a year for the rest of my life.'

'No problem,' said the genie 'You've got it, it's the least I can do. And I'll guarantee you a long, healthy life!'

'And now you, young lady, what do you want?' the genie asked.

'I'd like to own a gorgeous home in every country in the world complete with servants,' she said.

'Consider it done,' the genie said. 'And your homes will always be safe from fire, burglary and natural disasters!'

And now,' the couple asked in unison, 'what's your wish, genie?'

'Well, since I've been trapped in that bottle, and haven't been with a woman in more than a thousand years, my wish is to have sex with your wife.'

The husband looked at his wife and said, 'Gee, honey, you know we both now have a fortune, and all those houses. What do you think?'

She mulled it over for a few moments and said, 'You know, you're right. Considering our good fortune, I guess I wouldn't mind, but what about you, honey?'

You know I love you sweetheart,' said the husband. I'd do the same for you!'

So the genie and the woman went upstairs where they spent the rest of the afternoon enjoying each other.

The genie was insatiable.

After about three hours of non-stop sex, the genie rolled over and looked directly into her eyes and asked, How old are you and your husband?'

'Why, we're both 35,' she responded breathlessly.

'No Kidding,' he said.

'Thirty-five years old and you both still believe in genies?'
