## Newsletter 2103

### **An Apology.**

On behalf of the Club, the Committee would like to publicly apologise to our guest Melons for the disparaging remarks that were published in our recent newsletter. We, the Committee and the Club, do not condone the remarks nor do they reflect in any way the Club's position and it is certainly against our policy to treat our guests in such a poor way.

Once again we offer our sincerest apologies and will endeavour to make sure it never happens again.

### **Note from the VGM**

Hi Everyone,

We had a small turn out last week due to the Interhash. 21 members were present, no guest. The bunny's better half announced as short run with a couple of checks. Off we went where Money and Goodyear can't even see the papers where to turn in. Next time follow paper la. Generally it was a nice sweat out with lovely home cooked food. Many thanks Cheng.

**Funnies**

1. Man got really drunk one night in his local pub. The barman refused to serve him any more alcohol and told him he should be heading home. The man thought this was a good idea so he stood up to leave but fell over straight away. He tried to stand up again but only fell over again. He thought if only he could get outside and get some fresh air he'd be grand. So he crawled outside then tried to stand up and fell over again. In the end after falling over lots more he decided to crawl home. When he got back to his house he pulled himself up using the door handle but as soon as he let go he fell over again. He had to crawl up the stairs and managed to fall over onto the bed and fell asleep. When he finally woke up the next morning his wife asked him what he was doing at the pub last night. He denied it but she said, "I know you were there..." he maintained his innocence until "...the barman rang to say you forgot your wheelchair again...."

2. **A pregnant woman gets into a car accident and falls into a deep coma. Asleep for nearly six months, she wakes up and sees that she is no longer pregnant. Frantically, she asks the doctor about her baby.  
The doctor replies, "Ma'am, you had twins! A boy and a girl. The babies are fine. Your brother came in and named them."  
The woman thinks to herself, "Oh no, not my brother -- he's an idiot!" Expecting the worst, she asks the doctor, "Well, what's the girl's name?"  
"Denise," the doctor says.  
The new mother thinks, "Wow, that's not a bad name! Guess I was wrong about my brother. I like Denise!" Then she asks the doctor, "What's the boy's name?"  
The doctor replies, DeNephew.**
3. **After drinking, Men talk unnecessarily, Become emotional, Drive badly, Stop thinking, Fight for nothing. Women can do all these without drinking!**
