Notes from the GM

As I drove in the big car park at Waterfall Rd. guests Torsten, Hansjoer, Marco, Thilo, Leo and Itchy Bai were already assembled for the Harriets Chinese New Year Run whilst the contracted hares, Gman and Money, were waiting to flag everyone off.

The Boltons drove in as did Alastair and Rosie. So good to see them all back once again. A Chinese-looking lady with 2 children and a companion in tow suddenly came over and wanted to know what was going on. She introduced herself as Cheke from Mongolia and after the run had started I saw them following the pack towards Youth Park to return later.

Annelies arrived late and I even saw TT Yeo who walked by with nary an expression of guilt. Datin brought the food and came over to say hi but she couldn't stay as she was off to a dinner. Akz Hole was late as usual these days and even too late to do the run as the FRBs were returning as he drove up!!

Most had done the "herringbone stitch" run criss-crossing the ridge while the smarter ones followed their instincts and followed the hash highway. All came back in the light and soon a feast was presented courtesy of our Chinese members and what a sight to behold with plenty to go around to feed the 50 members present and guests, now numbering 9 as others turned up late.

After eating heartily we had a short circle as usual and the whole evening was a great success. So thank you to all our Chinese members who contributed in any way to this wonderful night.

On a personal note I was very happy to see Marco once again. He comes to Penang on business sometimes and always does a run somewhere. It was he who introduced me to the Harriets about 13 years ago and as I'm still here we must be doing something right!! So thank you Marco and see you next time.

The Circle

Our guests for the evening were duly welcomed. A couple of the guys liked the ice so much they didn't want to get up!!!

They it was a case of WELCOME BACK to:

- **Pukka Sahib and Mem Sahib – from their long vacation in Laos**
- **Rambo – whose work commitments keep her too busy these days**
- **Monty Python – whose been busy writing “War and Peace” Monty style.**

Great to see you all once again.

Due recognition was then given to the Organizing Chair – Hari Hari Mau and one of the Hares –Money (Gman had gone for dinner) for the success of the evening. Thanks so much.

But as so many had contributed we got as many together as possible for a collective thank you and a group photo. So thanks everyone.

Ronnie Tour then finished the circle with a Chinese/ English number to great applause from the gathered pack.

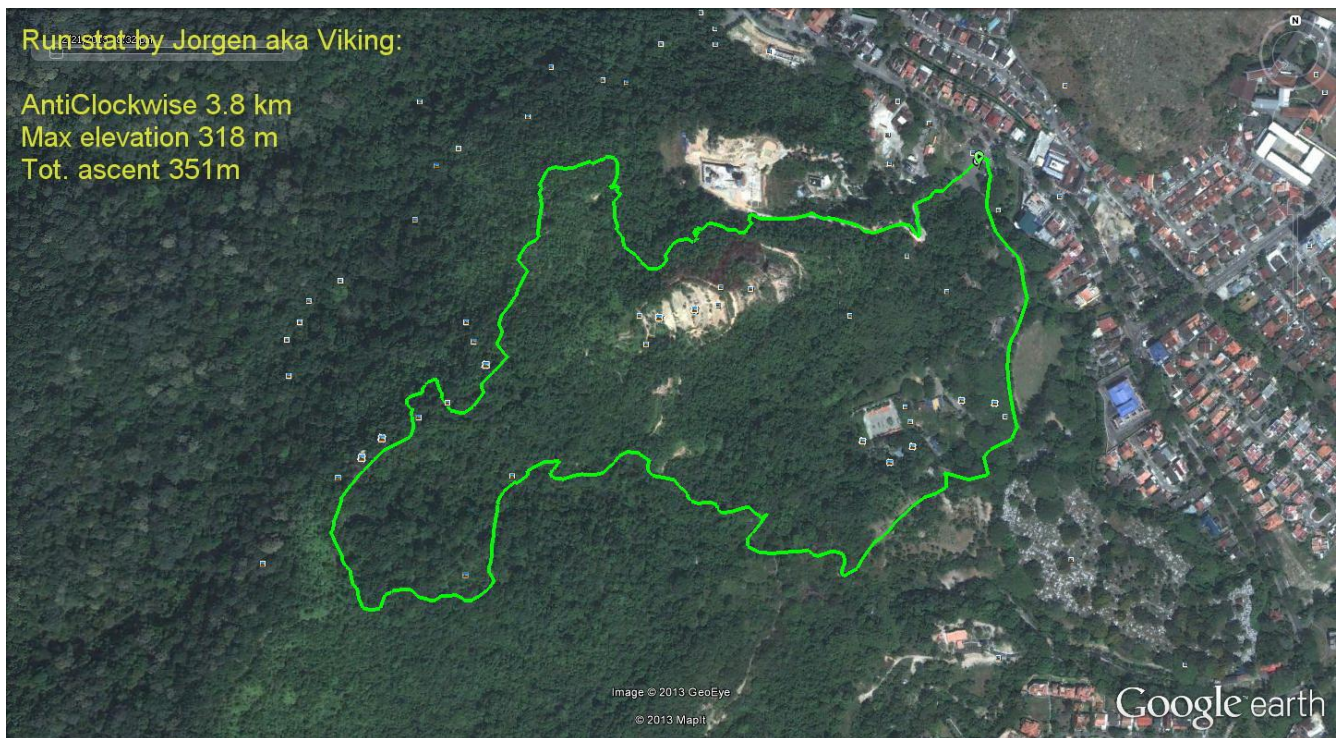

P\$. If you have inadvertently picked up some ladles on Thursday, please return them to Hari Hari Mau.

Funnies

A guy calls a company and orders their 5-day, 10 lb. weight loss program.

The next day, there's a knock on the door and there stands before him a voluptuous, athletic, 19 year old babe dressed in nothing but a pair of Nike running shoes and a sign round her neck .

**She introduces herself as a representative of the weight loss company.
The sign reads: 'If you can catch me, you can have me.' Without a second thought, he takes off after her. A few miles later, huffing and puffing, he finally catches her and has his way with her.**

**The same girl shows up for the next four days and the same thing happens.
On the fifth day, he weighs himself and is delighted to find he has lost 10 lb. as promised.**

He then calls the company and orders their 5-day/20 pound program.

The next day there's a knock at the door and there stands the most stunning, beautiful, sexy woman he has ever seen in his life. She is wearing nothing but Reebok running shoes and a sign around her neck that reads: 'If you catch me you can have me.'

Well, he's out the door after her like a shot! This girl is in excellent shape and it takes him a while to catch her but when he does, it's definitely worth every muscle cramp and wheeze, so for the next four days, the same routine happens. Much to his delight, on the fifth day he weighs himself only to discover that he has lost another 20lb as promised.

He decides to go for broke and calls the company to order the 7-day/50 pound program. 'Are you sure?' asks the representative on the phone

'This is our most rigorous program.'

'Absolutely,' he replies, 'I haven't felt this good in years.'

The next day there's a knock at the door; when he opens it he finds this huge, muscular, 7ft hunk standing there wearing nothing but pink running shoes and a sign around his neck that reads: 'I'm Francis. If I catch you, you're mine...'

A man is concerned about a dull throbbing pain in his penis and seeks medical advice.

His GP tells him: "I'm afraid it's simply wearing out and under normal circumstances there would be nothing I can do to help, however there is a brand new experimental procedure which you could undergo, it involves using part of an elephants trunk, but it does have it's risks in terms of after effects."

"Anything! says the man, "I have an extremely active sex life and can't bear the thought of never being able to shag again".

Off he goes for the operation and 3 weeks later he's passed fit to resume normal sex.

He invites an extremely attractive neighbour over for dinner, things are going really well when he feels a stirring below, his knob becomes so large it's getting painful and he undoes his zip.

With that, his enormous grey appendage leaps out, shoots across the table, takes a bread bun and just as quickly, disappears into his trousers.

"My word!" says his guest, extremely impressed and slightly curious, "can you do that again?".

He replied in a shocked voice "Probably, but I don't think I could fit another bread bun up my arse!"

What's the definition of trust?

Two cannibals giving each other a blow-job.

How many nails in a lesbian's coffin?

None – it's all tongue and groove.

Doctor Dave had sex with one of his patients and felt guilty all day long. No matter how much he tried to forget about it, he couldn't. The guilt and sense of betrayal was overwhelming. But every once in a while he'd hear an internal, reassuring voice that said: "Dave, don't worry about it. You're not the first doctor to sleep with one of their patients and you won't be the last. And you're single. Just let it go."

But invariably the other voice would bring him back to reality, whispering "Dave, you're a vet..."

There's no pleasing some women.....

Paddy Murphy paid £5,000 for a boob job for his wife and she was over the moon.

He then paid £2,000 on a nose job for his wife and she was ecstatic

He then paid a paltry £30 on a blow job for himself and she was livid!!!

After 50 years of marriage Paddy Murphy's wife turned to him at breakfast table and said with twinkle in her eye.....

"My breasts are as hot today, as the day you met me!"

Paddy replied....

"I know!!.....That's because one's in your porridge and the other's in your coffee. Lean back sweetheart"

Later that evening they go out for a celebratory drink in the pub. Paddy raises his pint and with tears welling up in his eyes, he says.....

"I don't know how I would have survived without you, I love you so much!"

His wife replied.....

"Is that you or the beer talking?"

"It's me talking to the beer"

A guy meets a gal in a bar and asks, "May I buy you a drink?"

"Okay. But it won't do you any good."

A little later, he asks, "May I buy you another drink?"

"Okay. But it won't do you any good."

He invites her up to his apartment and she replies, "Okay. But it won't do you any good."

They get to his apartment and he says, "You are the most beautiful thing I have ever seen. I want you for my wife."

She says, "Oh, that's different. Send her in."
