Notes from the GM

On the way to Bkt Gambir I saw David aka Cycling King standing at the side of the road with 2 young people and upon stopping to find out the problem, it transpired that he didn't know where the run-site was and hence had to follow me.

The youngsters, Lucas and Lenik, were our guests for the evening, hailed from the Czech Republic and were Hash "Virgins". They had some interesting stories to tell later in the evening about their year long trip around the World, from fruit picking in New Zealand on freezing cold mornings to helping out in kids programmes. They were heading off to Langkawi the next day and then Thailand and back off home after that. What an exciting life and now they are virgins no longer!!!

The run-site at Bkt Gambir is now a veritable building site and the car park has shrunk to postage stamp size thus is severely limiting. All in the name of progress! Some progress as the quality of life reduces as traffic increases and the green hills disappear!!

Black German – Jaya, flagged of the run and the pack loped down the path and turned right into the lane. The usual FRB's were already jogging away and disappeared from sight very quickly. As always I soon found myself at the back of the pack but at least I had

the company of Beauty Queen and Silentman as Azk Hole had gone on ahead.

It was hot, sticky and very humid as we pushed ourselves, slowly in my case, up and up the hill and it was a great relief to finally hit the ridge after a lot of puffing and panting. Believing the hard bit was now over proved to be false thinking as the steep On Down was even worse and I found myself on my bums a few times after having slipped on the dry leaves. Finally on flat ground we turned left on the concrete path and enjoyed the longish walk back along the road/lane back to the run-site in the now darkening evening.

Food was already to be served and the pack wolfed it down with gusto, not to mention copious amounts of Tiger!! Once finished we had our usual short circle. Many thanks Jaya for a great workout, I certainly needed it and for the delicious food of which all got eaten.

NOTE:

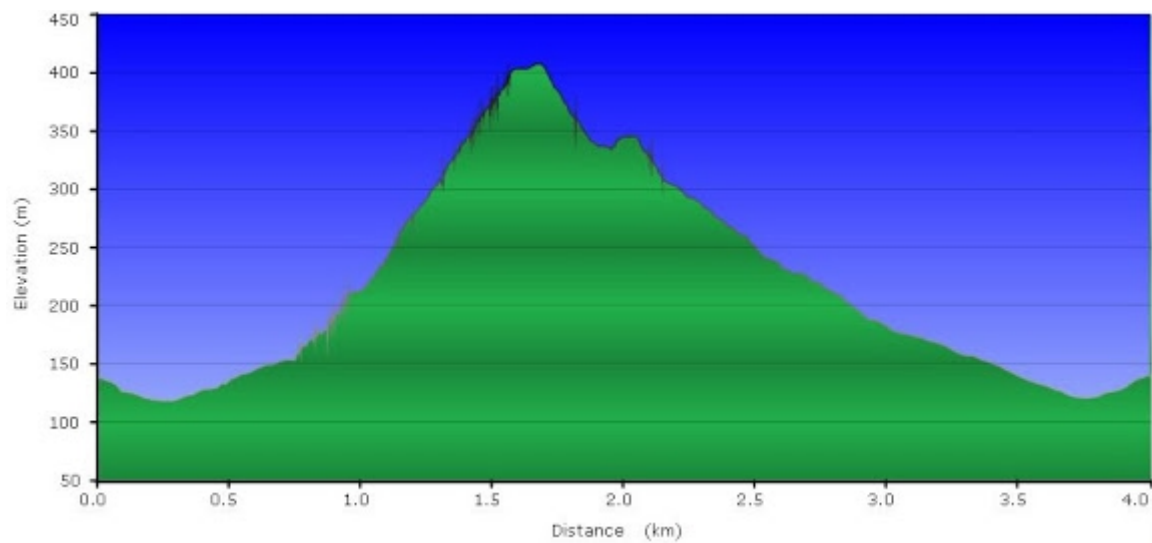

Lucas kindly gave me a bunch of pens on Thursday and I put them in the orange bag. They have now disappeared...anyone seen them???

"We have 18 people signed up to attend the Royslal Selangor Club Hash Diamond Jubilee in December. It is not too late to register but I need to have your name and money by THIS WEDNESDAY as I have to bank in the money to the RSC.

After this week the registration fee is RM200 but you will have to do it yourself as I will be on vacation."

The route

The Profile

On 7th September the Ipoh Harriets are celebrating their 45th Anniversary. Penang Harriets have a great respect for them as they were the first to come and help us set up our own Club 41 years ago.

In recognition of this and to support them it would be great if many of us could attend. Perhaps we could even hire a bus if there were enough of us. Please let me know if you would like to go!

The Circle

As usual we had a short circle

First on ice were the Guests - Welcome to Lucas and Lenik

Next on ice was White Lion who had been busy informing his side of the circle how the Vatican works so his charge was in honour of the new Pope!!

Then Kissing(h)er - As Father Christmas- was iced for writing a brilliant burst but somehow confusing Thursday with Tuesday Hash Kakis.

Thereafter David aka Cycling King - was introduced to all and to describe about his travels around the World on a bike! And as a reward for not coming out so late this week.

Last on ice was Black German - Jaya- Thank you for the evening. The run was deemed good, the food delicious and the location still a nice place to be in spite of the construction going on all around
