GM's Note

Totally forgetting that I had asked Manfred to help set the Committee Run, Mike took a day off to set it as well. Christine came along with a friend Christy (who Mike called Frisky) in tow and together we all went in.

We started on the usual track past the Temple and then turn left along the track. Just past the further shrine we then made a left again and came to the 'stream'. The mini dam looked dried up and the trickle of water was no barrier to an easy crossing. Across the stream we then took a left and into the jungle (hence not straight on to the farms). As usual being slow the others had gone on ahead with Money leading whilst Mike stayed and waited for me. However I pushed him to go on and so off he went too leaving me to make my way slowly up to the ridge and meet with them there.

As I got closer to the top I could see the many hash papers from other Chapters and was amazed how the landscape has changed somewhat since the last time we had run in this area. There were fallen trees and branches blocking routes with high grass and ferns also blocking the way. However the paper could be followed and I soon caught up with them at the rock where we would start the On Down.

The thick undergrowth scratched us as we took a tumble here and there but we managed to push through and make a pathway for the later runners. As we descended it got easier as the ferns thinned out and then stopped altogether. Soon we reached the lime orchard

and out onto the pathway. The farmer was sleeping in his chair as we came by and I think we disturbed him as he woke with a start. We explained what we were doing and warned him of the evening's activities. But he knows us of old and it was no problem for him. So we took a leisurely walk back, passed some of the cultivate fields of fruits and flowers and some of the not so looked after ones, where but a few years ago they abounded with all sorts of fruits such as papaya, passion fruit and the plentiful limes but now it seems all is not well. Shame that!

We reached the run-site in a total of 2 hrs so not too long a run. As part of the On Out and the On In were common we laid paper to just before the On Out turned into the jungle hoping that the runners would recognize the area and follow the only path back home!

At 6pm the usual Hashers had congregated and together with 6 guests heard the announcements and then headed off. About 50mins later Iceman and one of the guests arrived back puffing and sweating and asking had we seen one of the other guests. "No we said!" " Ahhhh he must be on his second round then" they replied!!! "We made the same mistake and as there was no home paper we started to go around again. He was in front of us and so he definitely is going around again but we turned back."

As it turned out however the guest in question was waiting for them a little higher up the slope and when they didn't arrive knew something was wrong and he also returned and met with other hashers on the track below and headed Home and all were back by 7.20pm. Just goes to show you though that paper HAS to be laid ALL the way for even seasoned runners get confused, never mind the guests!!

Altogether we had 39 Members and 6 paying guests enjoying the evening and food. The night was balmy and the social atmosphere thoroughly relax and jovial. It became even more animated however when Beauty Queen turned up with 3 ladies from Sabah who were here to do a beauty course. Eddie and one or two more where quite taken with them and would have liked to have been taken by them too the way they were chatting them up!! All in good fun though!!

We had a short circle as usual:

1. The 6 guests were welcomed: Lukas, Adrian, Rob, Purmek, Rafat and Melons.
2. A charge by The General against the GM was made as she didn't introduce the guests at the beginning of the evening but she did announce next week's run.
3. The GM called out the Committee to thank them for the run but she was also made to sit too.
4. The GM then called the 3 ladies from Sabah to come and cool their bums on the ice and to enjoy the Harriets hospitality. (The Three Little Maids from School!!)
5. The GM was soon back on ice to collect her reward for achieving 400 runs.
6. Whilst Longhair received his for reaching 500 runs. Well done to both of you.
7. The final icing of the evening was Take Care, Ah Lye and Eddie Punk who were continually disrupting the circle and chatting up the 3 Little Maids from School.

Next week it is Frank Bolton's run at Bayee Pass. This is always a good run and a pleasant venue. So please come along and support.

Please Note:

Goodyear has invited all Harriets to his run next Tuesday. Please give him your name if you want to attend as he needs to know the numbers etc.

The evening

On 7th September the Ipoh Harriets are celebrating their 45th Anniversary. Penang Harriets have a great respect for them as they were the first to come and help us set up our own Club 41 years ago. In recognition of this and to support them it would be great if many of us could attend. Perhaps we could even hire a bus if there were enough of us. Please let Beauty Queen know if you would like to go!
