GM'S NOTE:

RUN SITE- MOUNT PLEASURE

GM's Note

We had one guest, Jay @ Fucking Near Water at Thursday's run at Mount Pleasure. It was also Tiny's birthday run (well on the 18th) and she announced a short to medium run and off the pack loped.

Cheng was in front of me and as we went up the first part of the run we met Jay coming back down as the sole of one of his shoes had completely detached from the rest and was breaking up. Being an Aussi he didn't look too despondent saying he'll have to walk around the beer wagon instead!!

As we continued our ascent, Mike and I caught up with Rajan @ Right Hand Drive and Joanne (our newest member) who was doing her first hash run. It was slippery and RHD was saying perhaps he should have gone for 4WD instead!!

Bai Pass blew passed us at the dilapidated plastic 'bungalows' whilst Mike was urging me to go a bit faster. It seems he had inside information that the run went to the top of the hill before coming down. Looking at my watch it was already 6.40pm and as Iceman went by I calculated it would be around 8pm before we were back at the run-site, especially with my slow pace.

On up we plodded and I was surprised and relieved to see the track finally come out near the top of the hill on the track leading up from Beverly Hills/Leader Garden. This was a way I had not been before although Mike has and so it was all downhill after that!

Rajan and Joanne had long since disappeared and soon our torches were strapped on as the darkness quickly descended upon us. It was therefore quite a surprise when we caught up with Joanne once again but this time minus RHD but with Nick who himself was minus Lyna.

We travelled in convoy after this, down, down and down, finally reaching the run-site at my previously calculated 8.00pm. We thought we were the last to arrive as we had heard no sounds behind us but we found out that another group comprising of, Beauty Queen, Silentman, Hot and Spicy and Mem Sahib were still out, not returning until 9.00pm.

To our horror Samy had not turned up due to a flat tyre (Seng Hoe apologised the next day for not letting us know earlier as we could have made other arrangements) but as true Hashers do we adapted to the situation with Sai Seng, Huge and Iceman going in search of and returning with, slabs of beer and ice for us to enjoy. The Bunny had provided delicious Wan Ton Mee plus fried chicken which all gratefully ate with gusto. There were even second helpings!! Mmmmmmmmm!

Since we had no beerman and therefore no bags of ice, we did not have a proper circle (we'll have that next week) but due thanks were given to Tiny for hosting the evening, which turned out to be a roaring success with almost 50 members turning up!

Not long after, the rain began to fall and the beer ran out so many started on their way home. Just as we were about to leave Jaimey @ Rough Rider turned up with fresh supplies and so a number remained to enjoy the rest of the evening.

Secrets to a long happy marriage

A old woman was sipping on a glass of wine, while sitting on the patio with her husband, and she says, "I love you so much, I don't know how I could ever live without you"... Her husband asks, "Is that you, or the wine talking?"... She replies, "It's me... talking to the wine."
