GM'S NOTE:

RUN SITE- YOUTH PARK- 3 VENUES IN THE AREA!

GM's Note

Eddie Punk called to say that FTAC were also running from the Info Centre and there would be no place to park if we also turned up, so he suggested to park at the New Car Park (our old site) and start from there. As we arrived Eddie, Lucas and a few others were parked at the entrance to the Info Centre but after a brief chat we moved everyone to the New Car Park as first suggested. Eddie and Lucas stayed behind to re-direct those members arriving before 6pm, after that we just hoped phone calls would be made. As it turned out there

really would have been no place as we also found that PSC were running from the Info centre as well. The reason behind all this was that the usual site of Bee Gallery was taken over by the flower festival preparations.

By 6pm we had a small pack who were told it was a 'chilli padi' run. The 'on-in' was via the usual route through the Info Centre and it was littered like a ticker-tape parade as all 3 hashes had paper leading the same way! Fortunately for us our hare veered off to the right and up soon after and we had only Harriets paper to follow.

I was my usual slow self and the late comers passed me, Iceman, Silent Man and Longhair. Mike stayed with me and together we trudged up the hillside and across the stream. Neither of us was really good at this point as Mike's ankle was giving him problems and I was just extremely tired for some reason.

Finally we hit the track that leads up to the lemongrass and as the paper went that way we decided to bail out and head back to the run-site. Just at that point we met White Lion returning saying he couldn't find paper but also saying he needed to reacclimatise and he was still jet-lagged. Together we all headed back chatting here and there as the rain clouds gathered and drops started to fall.

Just as I was at the bottom of the hill, Tiny came thundering past at speed having completed the whole run!! At the run-site the out-sourced bunny, Beauty Queen, was nowhere to be seen and neither was the orange bag with all the keys in it!!! Because of the threatening rain they had moved to Youth Park and found some cover under a canopy. As it turned out it wasn't a bad place as there was plenty of light and cover but it would be difficult to be there early evening with the many other people who use the Park. Uncle Bee returned with the bag and keys and everyone went to change and then head for the food. By 7.20pm it was dark when the last runners came back.

A lively pack had gathered at the 'new' venue with plenty of beer and good food being taken by all. Even Samy commented on the amount of beers being drunk! So this was a 3 venue run but was very much enjoyed by all.

Thanks go to Beauty Queen would did a great job in organising the run setting and food for the missing Bunny.

CIRCLE:

1. Beauty Queen was the first to be called to sit upon the Ice Throne and was charged with taking the orange bag and leaving everyone stranded as she had all the car keys!!
2. The GM then called Mem Sahib to the ice and grilled her over, what should one do with rubbish? Certainly not throw it on the ground as she was caught doing by the GM. "But it was only a small bone" didn't cut it with the GM however.
3. Mem Sahib was released but quickly back on ice once more for chatting and for wearing PJs to hash!!
4. The On Sex had a very special birthday a short while ago and for her birthday her hubby bought her a brand new car. Congratulations Tiny. Drive safely!!
5. Lyna was next on ice for identifying Silent Man being with '2 Indians' but not knowing who they were despite them being at the hash most weeks!! It turns out they were Lucas and Vithia and so she was formally introduced to them whilst chilling her bum!!

6. A charge from the floor saw the newly iced Lyna charge Sai Seng with the same charge as last week. This was because she wanted to explain the real reason as it was apparently not made clear enough in the last newsletter (smack on the hand for the reporter). However her explanation was akin to that being reported so I'm confused BUT no further explanations are necessary!!!
7. Whilst all this was going on Rob @ Shit in a Pit was chatting in the background – verbal diarrhoea the On Sex called it – and so he was asked to sit and tell his story to all of us!!
8. Another charge from the floor saw Uncle Bee on ice. Iceman was the accuser and related a story of when getting his food he asked were there bones in the curry. The reply was in the negative and hence he took a big mouthful only to find bones. When he asked Uncle Bee about her saying no bones she said “that’s because it’s from the fish”!!! ?????
9. The last icing for the evening was to thank all the “contractors” who made the evening possible by helping out the missing Bunny, Sementara. Many thanks go to Beauty Queen, Sai Seng, Datin and Uncle Bee for all your help and organisation.

Other Announcements:

We had 21 sign up under the Harriets banner for the trip to KL last weekend. This was to celebrate the 75th Anniversary of the foundation of Hash at The Royal Selangor Club in KL. It was a three day affair starting on the Friday with a Red dress Run and finishing on Sunday with the usual Hangover Run.

Many congratulations go to Lily @ Pussycat and to Money Manfred for finishing the 25Km Ballbreaker Run. Money came back 18th out of over 150 runners!! Well Done!

Overall the event was OK but we all had a good time and the Harriets name has been further enhanced in the hashing community by our presence in such a large number. Thank you all who went for supporting.

FUNNIES

An old man and his wife have gone to bed. After laying there a few minutes the old man farts and says, "Seven Points." His wife rolls over and says, "What in the world was that?" The old man replied, "It's fart football!" A few minutes later the wife lets one go and says - "Touchdown, tie score!" After about five minutes the old man farts again and says - "Touchdown, I'm ahead 14 to 7!" Not to be out done the wife rips another one and says, - "Touchdown, tie score!" Five seconds go by and she lets out a squeaker and says - "Field goal, I lead 17 to 14!" Now the pressures on and the old man refuses to get beat by a woman so he strains real hard but to no avail. Realizing a defeat is totally unacceptable he gives it everything he has but instead of farting he poops the bed. The wife looks and says, "What the heck was that?" The old man replied, "Half-time, Switch sides!"
