GM's Note:

OMG!!! 3 Chapters running at the same run site - FTAC, Bukit Jambul Club and Us. We used to run from the upper temple but this time the hare opted from the middle span temple instead.

Everything went well.....until FTAC started their circle and hash songs being sung. The temple caretaker who lives beside the temple came out and told them to go elsewhere if they intend to party as such behavior was not allowed there, YY of Ftac informed me of what's happening and that they were leaving the run site.

With all these commotion going on, I urge all our members to shift further down and to prevent unnecessary trouble and that NO CIRCLE be conducted for the night.

Of late, we had a few complaints ie G-string run a couple of we

earlier at Youth park car park - Someone from the Council called Goodyear complaining of empty beer bottles and dinner plates being thrown into the big drain. He had no choice but to collect the rubbish the following day.

Here's the list of run sites where complaints have been made/heard from other chapters.**So, if any one of you intend to have a run there....BEWARE!!!!

- 1)Tar college New Road
- 2)Quarry
- 3)Bee Gallery
- 4)Youth park car park
- 5)Jalan Delima,Chinese Temple

With immediate effect, the Hare of the day or an appointed Hasher is responsible for all the rubbish and beer bottles to be returned to our beer man at the end of the night from *EVERY CORNER of the RUNSITE. We cannot afford another complaint!!!!

Guests for the night- Pasar Malam and CK from Kulim Tue. KGB, Louisa,John and Ah Lye.

Burst

Toddy Tan 's Run - Island Glades Chinese Temple

Burst by Silent man

It was a cloudy day , although not raining it seem not good turnout for today's run . Is about 25 member and 5 guests , after the hare of the day announced the run they swarmed through the road to the jungle . As a sweeper I had to wait till everybody up , after we make a climb through a slope drain we reach the terrain . Most of fast runner already disappear from my sight than came the late runner SpeedHound , IceMan and General .Suddenly I heard bee , luckily I was at behind , SpeedHound and some slow runner Dr Suaran , Lina stung by bee, I gave them my citronella oil to ease their pain .

The on up trail was full of rock , we continue struggled up the slope to the ridge . As we at the ridge the paper heading downward to another hill

I heard somebody grumble cause there was another long on up before we hit the ridge which most of the plant was burn than we were on the way back to runsite . It was an adventurous part when we came down to slippery and steep terrain behind the big rock , fortunately Benz was there waiting to help the slow runner walk across that part . Thanks Benz

Finally we are back to runsite at 7.45pm
