Burst

## **HHH Burst 04 Dec**

*The Hash at Permai shoppe lots was ever so enjoyable when viewed from many perspectives....*

*For instance, the weather, as arranged by "SPERMY" was perfect—unless one is a rain loving duck!!*

*The run followed a slightly different track as the usual one is under attack by developers who are squeezing onto a small piece of land: 33, 34 and 6 floor buildings. The "earthworks team" is busy at work reshaping what Mother Nature created... Then we can look forward to the construction/ destruction teams for about 18 months.*

*The 30+ Hashers and three guests eagerly awaited our GM to "get the show on the road". The majority of Hashers who followed the trail reported back that the trail was: good, wet, muddy, shaggy... and a bit longer than expected.*

*The first runner in was GOODYEAR... and he made it in a mere 70 minutes. Over the next 45 minutes the rest of the runners and walkers arrived... and NO ONE WAS LOST/MISPLACED!!*

*Welcoming all was our wonderful "barman extraordinaire" who was able to prove that he brings the same enthusiasm and sense of sharing to the task of barman as he did as a run setter.*

*To complement the barman's efforts was a stellar "kitchen effort" exerted by Sperm. The food was FANTASTIC [according to many hashers—i.e. interesting, well prepared, hot and consumed with delight by all!!*

*Many thanks Sperm Whale for a wonderful evening!!*
