## **NEWSLETTER 2251**

### **GM's Notes**

Manfred invited me to his run setting on Wednesday along with Tonni but with a warning that someone should accompany me as they would not wait for someone so slow!! I declined and spend a wonderful Wednesday afternoon celebrating a friend's birthday instead.

I had been suffering with a cold and on Thursday it had worsened and hence I decided not to run. By 6pm there were only about 20+ hashers and Money remarked that he had food enough for 50. As the hashers left for the run Tonni and he set up their burger "stall". The sky became dark and the heavens threatened to open amid the thunder but thank goodness nothing came of it.

Goodyear came back in 50 mins drenched in sweat and the rest followed over the next hour.

Meanwhile the burger stall opened for business with sous chef Alexis lending a hand. Soon the delicious smells of fried onions, chicken and beef burgers were permeating the air making everyone feel very hungry. Talk about build a burger!! There was salad, onions, cabbage, fried eggs, relishes and the burger itself all to fit inside a toasted bun!! Mmmmmmm.

**Absolutely delicious and such a great change from our normal fare.**

**By now the numbers had swelled significantly as “Dinner Club” members arrived and the evening took on a party-like atmosphere.**

**The burger stall was working overtime to keep the hashers well and truly sated with most people having at least two each. Soon though all were stuffed full and the intrepid chefs had time to finally relax and have their own food.**

**Thank you Money for a very good run and GREAT food! Anytime you decide to open a burger stall let me know where and I will be first in the queue!!**

**It was a real party and I would like to thank Goodyear for 2 crates of beer, Carsten for 1 crate and a joint contribution from Money and Goodyear for another crate which all helped the evening go swimmingly well. Thank you all.**

**We had a short(ish) but lively circle after that.**

**Please Note:**

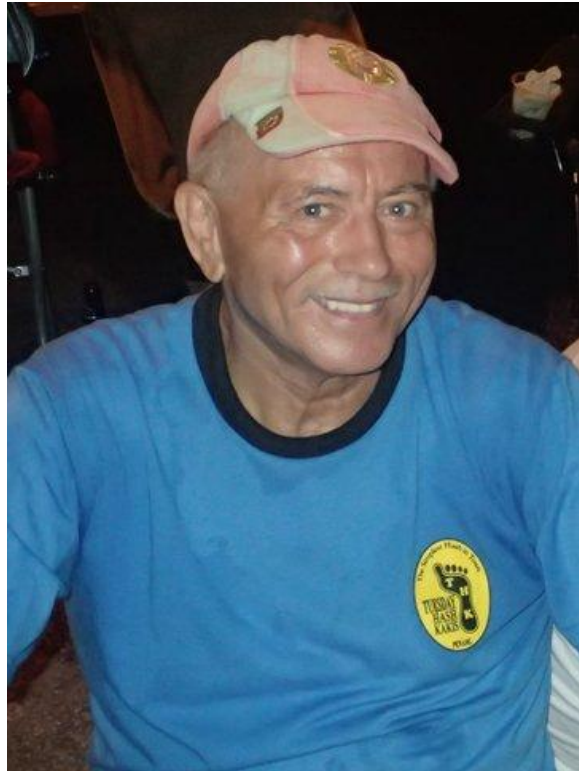

**Mike Maquire @ Pussywhipped has had to resign on health grounds. We wish Mike all the best and hope that he can recover enough over time to think about coming back to us. However I do invite him to socially attend whenever he can and he will be very welcome. Please take care of yourself Mike and don't forget us.**

**As a consequence of this there are changes to the Hareline where end of May and June members have been pushed forward one week. If you can't make your new date please let me know ASAP!!**

## **Circle:**

- 1. Goodyear missed his icing last week as he missed his own run. The pack never forgets and hence he was truly thanked this week. In reward he donated 2 crates of beer. Thank you Goodyear.**
- 2. The chef and his sous chefs were then thanked for such a wonderful and very different feast.**
- 3. A charge from the floor saw Pimp iced for not wearing a hash T-shirt.**
- 4. Goodyear then charged Polish Piper for going to the wrong runsite and having to call and get directions even though he has been many times to this runsite.**
- 5. Welcome to our perennial guest Bommy back once again to his beloved Penang. It's always great to see him here. Our other guests were Chompok who was a guest of the hare but he had disappeared and Pauline. Both are welcome anytime.**
- 6. Goodyear then charged Akz Hole for making fun of the GM who could only talk in a whisper.**
- 7. Money was iced to receive thanks from the assembled pack for a good heart pumping workout and great food.**
- 8. The next icing was to recognise the March babies.**
- 9. The final icing of the evening was a charge by Money on Goodyear in recognition of his having a new car and showing off by bring it to hash!!**
