### GM's Notes

Hashers had arrived in their usual fashion and were exchanging gossip or just catching up when I got there. The Bunny, Hot Lips, however was nowhere to be seen. By 6.00pm with invited guests Golden Cock and Dominic the pack set off.

Having set the run earlier on in the day with Jennifer and Sai Seng, it was in my mind a short run and fully expected the FRBs back in about 30 mins. However a half hour came and went with no sign of anyone. Golden Cock was back first in 40 mins but he had short cutted. I kept expecting to see Goodyear and Money hot on his heels but was told that Money was looking for a short cut (and we all know what that means) and Goodyear was babysitting Dominic.

At last the first 'real' runner back was Anjalai in 45 mins with Eugene blazing in behind. However since Iceman always starts late I'm not sure of his real time to complete the run. Some of the other who had gone in came back out at the same point and the rest took their own sweet (or more correctly sweat) time.

As for the trail, it went up and down three times until the last up hit the hash highway and then it was all downhill from there back to the run site.

The bunny finally arrived with her food after the pack had gone. She had been home-cooking and was running a bit late. The food was very good and many thanks for it too and for the run. We do wish however that you come and do the runs more often since you don't participate as much as in past years.

## Circle

1. The GM put the bunny on ice first for not being there at the start to announce the run.
2. The General was next to be iced for pushing his luck in NOT wearing a hash T-shirt for the second week running. He tried to counter by saying he was wearing a hash kilt but the GM was not having any of that.
3. A charge from the floor saw the General call out all last week's hash attendees and 'iced' them for not seeing he was not wearing a hash t-shirt at his own run!
4. A congratulatory icing was next. The recipient being Rupiah as it was her birthday that very day. Happy Birthday!!
5. General then charged Mini Sausage with not running and being made VP of the 'Dinner Club'. Since the President was also not present he was invited to 'sit comfortably' on the ice.
6. The Bunny, Hot Lips, was back on the ice to receive her well deserved thanks from the assembled pack. Thanks Ai Lee. See you next week??
7. A last minute icing saw Money charge Ian with 'skiing' in the jungle. Or was it more like mud sliding??

Next week it is Rupiah's run at TAR College New Road. Please come and support.
