KEONG HI HUAT CHYE

GM's Notes

The Bunny, Bibi Tulips, introduced herself to the assembled hashers as she had been away so long!! The run was announced as a medium one but the trail was slippery due to the dry leaves. There were five guests on the day, four of whom did the run.

After the pack had loped off Bibi set her table ready for the food as the late comers arrived and either went on the run or strolled around the area. After about 50 min Goodyear returned remarking how slippery was the 'on down' trail.

As the returning runners returned the crowd became more vocal and boisterous. The last to return was Silent Man but he had started late. The food was quickly devoured, voices became louder and the beer flowed freely.

Spermwhale, El Presidente del Club de la Cena (Dinner Club President) then arrived and Bibi gave him permission to scrape the food pots for scraps.

A short circle was conducted early so as not to interfere too much with the party like atmosphere.

Thanks to Bibi for the good run, good food and great to see you back once more.

Circle

1. Welcome the guests: Thomas (Ireland), Naked Gun (UK), Shit in the Pit (Everywhere), K7 (Penang), Texas Tits (Penang).
2. The GM then put Money, Imposter and Mini Sausage on the ice for disruptive behaviour during the circle.
3. Birthday good wishes were then given to Mother Hen.
4. A charge from Goodyear saw Money back on the ice. The charge related to last week's run when Money disturbed a hive of bees (did anyone get stung??)
5. Bunny on ice. Many thanks to Bibi for the good run, the good food and welcome back.

Sorry for the lack of photos this week but I forgot to charge the battery in the camera and of course it shut down just when needed most. Thanks to Beauty Queen for some extra photos of the circle. Thanks.
