## Newsletter 2306

### On Sec's Notes

It looked like a repeat of last week's performance with only about a dozen hashers at the start of the run. By the end of the day we had 31 members but no guests. Most arrived late as dinner clubbers to enjoy Uncle Bee's famous signature Belachan chicken. Uncle Bee was there early with her kitchen and even attracted our old member Peggy to come and help with the serving. Despite the heat and humidity most were out before dark. Uncle Bee's kitchen was opened, most brought their own plates, had seconds and third helpings of her belachan chicken, fried wanton, coleslaw and mashed potato. Where is the rice? Asked Take Care.

It was a relaxed beautiful evening with the local residents walking their dogs. By now they are used to us. Thank you Uncle Bee for the run and delicious food.

## **CIRCLE**

- 1. Manfred and Viking were called to the ice for starting off on their own at 5.30pm instead of 6.00pm. This was followed by Goodyear: VGM called them 'kiasu' (a Hokkein phrase widely used in Singapore for those too scared to lose out). Viking defended himself by saying that because he is slow he wanted to come out early and asked Manfred to go along with him. VGM did not accept the excuse and reminded them that the run starts at 6pm on the dot, and no earlier.**
- 2. Iceman noticed that out of 31 members only 11 did the actual run. All the 20 dinner clubbers were called to be iced; logistically not possible. Some have genuine reasons for not running. I think we can blame the famous traffic and the heat!!!**
- 3. Mini Sausage came back from Holland with a new pair of clogs. He was quite happy to be drinking from his new footwear.**
- 4. The Hare, Uncle Bee was thanked for all the delicious, crispy, freshly fried belachan chicken and wanton. Well done.**
