Newsletter 2309

Notes by Ah Non E Mus

It was a rare day. The GM did not set the run!!! She turned up to flag the pack off but then did a runner herself as she had a wedding dinner to attend. That left the two remaining Committee members to run the show for the evening which they did very well. However, who to write the piece for the Newsletter? Hence Ah Non E Mus got the job.

G-man and his co-hares had set the run the previous day I think but it was a bit worrying that the paper would still be there after the heavy rain of the night before. But no-one had checked so it was trust to luck. After the usual announcements, first by the GM and then the Hare, the pack loped towards the gate at the bottom of the road and disappeared.

Simple easy run said the Hare to the ones remaining at the runsite; the cripples, the has-beens, the lame and the lazy. Only two bars and even the GM, who was still there at that time, though yes an easy run indeed. But time moved on and no one appeared in the expected 45 min slot only the rain (which really came and went).

The Hare was starting to get a bit worried when the hour mark passed and still no one has appeared. There was a phone call earlier from Viking asking for directions but that was some time ago and still no one appeared.

Then to huge relief runners started to return.....BUT ALL FROM THE WRONG DIRECTION!! The Hare was stunned to see a whole host of bodies being led by SpeedHound all coming from the Beverly Hills direction. Reaching the run site the accusations and comments of a bum run were heard loud and clear, just as Iceman arrived also from the Beverly Hills direction but he had tunnelled his way around the building site having followed some old Harriets paper to Shamrock.

Around 7.25pm Botak Chin and Fancy Pants arrived, again from Beverly Hills, followed by the remaining members over the next 10 mins or so. The only person to return from the correct direction was Viking. But when asked did he do the whole run his reply was that he had turned around and went back the way he had come.

So out of quite a number of runners NO-ONE actually did the run!! Poor Hare and co-hares!

The raging inquest formulated the hypothesis that reusing other Chapters' papers to form a bar without your own Chapters' paper present, is to ask for trouble especially when just across the bar Harriets' paper could be seen and had not been removed. But this paper was last week's paper and hence why everybody ended up in the wrong place!! But then HASHERS YOU CROSSED THE BAR and the golden rule is DO NOT CROSS THE BAR!!! Anyway all returned safely having had a good sweat and a workout.

The food was quickly served after that and it soon went too as it was delicious and cooked by the Hare's mum!! She can cook again anytime as far as I'm concerned!! Thanks G-man for good makan and the subsidized beer never mind about the F**ked up run everybody got a sweat on!!

Circle

1. Monkey King (Dushon) and Adelya were welcomed as two new members to the Harriets. They were then joined on the ice by our evening's guests, Yolanda, Jenna and Richard.
2. A charge from the floor by Speedhound saw Mini Sausage gently lowered to the ice. His crime was not respecting hash and the circle by reading the newspaper while supping his beer just as though he was at home!!
3. Another charge from the floor by General saw the Hare hit the ice for the first time. The charge being a 'cheapskate' by reusing old hash paper and then confusing everyone by NOT reusing Harriets paper but that from another Chapter.
4. The Hare then tried, unsuccessfully, to counter charge ALL the runners for going the wrong way but then end up on ice himself once again as Mini Sausage presented him with a mess of screwed up paper someone found on the run!!
5. Just as he stood up he was back on the ice once again to receive thanks for the delicious food and never mind the f**ked up run but the subsidized beers made up for a lot!! Many thanks David, it was a good night.
