GM's Notes

On my call to Johnny regarding setting the run on Thursday he told me that the trail had already been laid but that he would be going in again on Thursday afternoon just to check it was all OK.

It was a dry, sunny day and thankfully so was the ground of the runsite at Youth Park but there were plenty of mosquitoes!!! There were four guests on the day, Calvin (Butterworth), Eric (PIH2) and Peter & Susan who have hashed with us many times now and do so whenever they are in Penang.

It was a familiar trail done a number of times before but nevertheless it still never fails to give you a good workout, getting the blood pumping and the sweat pouring. For those who did the run did you notice anything unusual?? If you did then well done! If you didn't then I guess you were just concentrating on following the paper! But it was the paper that was the unusual item as there was NOT ONE piece of Harriet paper used. Just blank pieces!!

Before the run started Dieu Lah Sing was 'informed' it was a long run and so he went in early so that he would be out in the light. Money accompanied him for his own reasons... bodyguard, protector, slowing down, early beer, who knows!!!

The FRBs were back in 45 mins (short run) and all were back by 7.30pm to be greeted by the hare and co-hare who were in very jovial moods after celebrating from the off!!

Uncle Bee ladled out the Beehoon and chicken curry as the hashers queued up for the food.

Then we had a lively circle with our new choir reprising their repertoire of a few weeks ago but with added zoological tendencies. (You had to have been there!!)

It was indeed a rare evening too as the Hare, Pussyfoot, only manages to attend about once or twice per year. He still hasn't completed 100 runs yet after 16 years but continues to renew his membership each year. Thank you Pussyfoot for being a loyal member and for a great evening.

Circle

1. Akz Hole and Posh were first to hit the ice for talking during circle time and Posh saying they didn't understand English being Chinese and Welsh.
2. The GM then put the rest of the Committee on ice for not giving Pussycat her 700th run award while she was away recently. Lots of excuses, excuses, excuses!!!
3. Hence it was left to the GM to present Pussycat for her 700th run. Congrats but Get a Life!!
4. It is that time of year again for our two popular visitors to head back home to Germany once more. Fancy Pants and Fancy Panties are leaving this week and probably will not be back again until next year. We wish them safe journey and good health.
5. The GM called out the Hare and Co-hare and grilled them on why there was no Harriet paper used on the run.
6. Goodyear the charged Dieu Lah Sing and Money for going in early when it was such a short run!!
7. Welcome the guests. A bit out of normal sync but nevertheless our guests are always welcome.
8. Rosalind was charged by Akz Hole for not having a hash name even though she is the On Cash and has been a member for six months. Ian (significant other) is named Imposter so it was suggested she be named CUNT2FIT. (Think about it and say it quickly). As there was no other name presented she was duly baptised!
9. The last icing was to give thanks to the Hare of the Day, Johnny @ Pussyfoot. A good run, good food and a rare appearance!!

He didn't like my Briyani.
He didn't like my cake.
He said my roti was too hard.
Not like how his mother
used to make.
I didn't make his tea right,
He didn't like that too.
I didn't iron his clothes
The way his mother
used to do.
Then I turned around
And smacked him
Just like how his mother
used to do.

HUSBAND'S MESSAGE:

~Honey, I got hit by a car outside of the office. Tina brought me to the Hospital. They have been doing tests and taking X-rays. The blow to my head though very strong, will not have any serious or lasting injury. But i have three broken ribs, a broken arm, a compound fracture in the left leg, and they may have to amputate the right foot.

WIFE'S RESPONSE:

~Who's Tina?!

When I was in school I was told:
PUSSY was a CAT
SEX meant GENDER
BITCH was a FEMALE DOG
DICK was a NAME
BANG was a SOUND
RUBBER was an ERASER
ASS was an ANIMAL
SCREW was just a TOOL
HEAD meant a PART OF BODY
BALLS meant a ROUND TOY
NUTS meant DRY FRUIT
69 was just a NUMBER
& Then I came across all you dirty fuckers and my education was ruined.
