### GM's Notes

A hot sunny morning greeted us as we gathered to set the run for Richard @ Snow White. Richard, a veteran hasher and marathon runner has been plagued with health issues these last years and so cannot hash at all but graciously takes his turn when his run is due.

We went in through the only entrance/exit via the main road into the bush. The year of the Rooster was definitely on show as just at the top of the Taman was a whole brood of them strutting around in all their colourful plumage!

Into the bush and turned left away from the small gate and headed towards the graveyard. The tall weeds and prickly plants made it hard to manoeuvre in places but we finally made our way across and back into the bush. This was the beginning of a long skirting run picking our way carefully between rocks, roots and the ever rotting vegetation. Finally after a long climb, steep in places, we hit the down trail and headed back to the run site.

Akz Hole had come along to lend a hand but he did struggle somewhat on the way up but Sai Seng had long since disappeared with the grace of a mountain goat on a Welsh hillside. He had left his

phone on his motorbike back at the runsite and so made light of the hills, quickly setting the paper to get back. Thankfully it was still there too!!

In the evening we had three guests and the usual hard core hashers. The front runners were greeted by FIRE in the graveyard as they reached there. It seems it was the yearly burning and they had to choose that night to do it. Three managed to get across but the slower ones had to make a detour as the flames crept ever closer up the hill, burning the trail paper to ashes!! Finally all managed to get across and picked up the paper the other side to complete the run.

The first out was Black Condom @ Mohan who has rejoined us as a member, whilst the last out was guest Stephen. By this time the Dinner Club had arrived and the numbers had increased to 45 members and five guests to partake in delicious home cooked Nasi Lemak as well as cake and titbits.

Many thanks to Richard for hosting the evening! It was once again a good Harriets' night!

## Circle

1. First to hit the Ice Throne were Bibi Tulips and Mini Sausage to welcome them back from their long stay in Holland.
2. The Dinner Club were next. It's getting bigger every week!!
3. Welcome our guests of the evening, Dripping Dick, Banana Man, Stephen, Dillon and Vanessa.
4. Iceman came back from the run talking about how the fire seemed to be chasing him and that he was fearful in case he got singed especially around his nether regions. The GM put him on ice just to ensure he cooled his balls. It was truly a Fire Cock experience.
5. Nikki has been a member for a few weeks now and the GM was sure it was about time to give her a hash name. After some questions and answers there was little to go on but someone (GM I think) came up with the idea of 'Biking Sheila' and that was it.
6. Thank you to the Hare Snow White for a good run and great food.

**There has been a change of plan for next week's run as the hare cannot make it. We will have a Committee Run at Tembaga Waterfall. Since it is also a holiday we will start the run at 5:00pm. Please pass this message along.**

# Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,  
is pleased to announce that it will be holding a celebration to observe its

**80th Anniversary in September, 2018.**

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 're-turn' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: [www.motherhash.com](http://www.motherhash.com), and click on the link to our 80th Anniversary.

**Please note that registrations are only accepted via our online registration portal as mentioned above**, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.
