Run 2350

Venue: Bee Gallery

Bunny: Jennifer @ Big Boobs

The Bunny, Big Boobs, had injured herself doing someone else's run in another Chapter and posted photos of her bandaged ankle for all to see, hence she couldn't help to set her own run.

Sai Seng and I set off as usual deciding as we walked which side of the road we wanted to do today and which ridge we should climb. Today we went for Mt. Olivia side and our way in took us by the dumpster. Then it was upwards, sideways and then down to a smallish valley and then from there a steep climb back up to the ridge at the top.

It was a new trail for us and the on up had us climbing like mountain goats until we hit the path that runs to Lily Pond. By now Sai Seng was away as I huffed and puffed until the top and then the usual way down to come out at the bridge.

In the evening it started raining just as we were about to start the run and some questioned whether to go in or not. Guest 'Piss in Boots' from Singapore was also very apprehensive as he had heard from other Singapore hashers about the tough climbs Penang hashes have and he was fearful of not coming out in the light. He looked very fit and lean though, certainly not carrying the fat of Akz Hole or myself and lo and behold he raced through it all and was out in plenty of time. He thoroughly enjoyed his first Penang experience and the hills so much that when 'persuaded' to buy a crate of beer he gladly did so. So we thank you very much for your generosity. Please come and hash with us again when next in Penang.

Our other guest runner and regular seasonal attendee Peter was also back in town with his wife Susan. He does seem to have an unfortunate time of it though as last year he was attacked by a Cockeral and pecked quite viciously and this year to start himself off he lost his glasses whilst on the run. A few hashers tried to help him find them but it was raining hard by then and so they were going to go back the next morning to see if they could find them after having marked the spot. Last to return were GL, Silentman and Toddy.

There was delicious popiah and wild boar curry courtesy of Bai Pass and Toddy respectively, to eat alongside the food catered by the Bunny. All went down well!!!

Despite the rain the atmosphere was fairly relaxed but this changed after the circle as most quickly disappeared. The only tell-tale sign of hashers presence being beer bottles left on the tables.

Circle

1. "Guests front and centre" Welcome back to Peter and Susan and a first welcome to Piss in Boots, who unfortunately had to leave straight after the run. Take Care was VIP guest once again and the question is still why not a member this year lah??
2. We all know the GM likes an ordered circle and talking when she is talking is a very heinous crime. But who was doing all the chattering this week?? THE COMMITTEE!!! So what else to do but ice them?
3. A charge from the floor by Iceman saw Huge take the ice throne. We all know that Iceman arrives late but soon catches up with most people if not all of them. This week he came up behind Huge and said Hi but Huge wasn't expecting anyone behind him and jumped several feet into the air according to Iceman. Quite spritely for someone his age Iceman thought.
4. The AGM dinner is open to ALL members but Mini Sausage kept asking could he come. But you're a member so yes of course. On being asked again the GM put him on ice and said yes...but wear a skirt. We'll see if he does next week!!!
5. A charge by the Bunny saw the GM, Sai Seng and Toddy called to ice. The bunny thanked them for helping to set the run for her because of her injury and to Toddy for cooking the wild boar. Bai Pass was thanked in absentia.

6. Before Toddy could escape the GM had him back on ice (and Bai Pass would have been too). She wanted to know that after all the years she has been doing runs and cooking food that he has never cooked wild boar for her. So what is Big boobs doing for him???

7. Bunny on ice. A great run, delicious food and despite the rain, an overall good evening. Many thanks Jennifer.

Next week is the AGM at the Quarry, Botanical Gardens. All paid up lady members please try to attend at 5.30pm to vote for your next committee.

Dinner will follow the run and circle at White Beach Restaurant, Burma Road.

Please note we are at the end of February. If you have not paid your subs by now you are NOT a member!!!

Mother Hash 80th Anniversary

Hash House Harriers (1938), Kuala Lumpur, Malaysia,
is pleased to announce that it will be holding a celebration to observe its

80th Anniversary in September, 2018.

Hashers from all corners of the hash diaspora bearing our name, or variations of it, are cordially invited to 'return' to the cradle – and the Eden - of hashdom, for a grand extravaganza in celebration of this momentous milestone. Participants will get to be a part of what is shaping up to be the largest congregation of hashers the world has ever known.

Motherhash is ready to welcome you back to the origins; be transported back in time to where our hash forebears first germinated and gave birth to our very realm. Gispert and his band of trailblazing initiates of 1938 will be on hand, metaphorically, to welcome you back to our spiritual home, the HASH HOUSE. Yes, Motherhash's 80th Anniversary will conjunct with the unveiling of the resurrected HASH HOUSE, albeit by necessity in a different locality.

Be the fortunate first 1000 registrants, and pay only RM350.00 for the hashing experience of your lifetime! Registrations can be done online. Visit our website at: www.motherhash.com, and click on the link to our 80th Anniversary.

Please note that registrations are only accepted via our online registration portal as mentioned above, so please help out your friends who are not so IT savvy. We will not accept any hard copy or direct registrations. This 3 days event is open to ladies as well.
