Burst, by Posh

I feel lucky to be given the opportunity to write the bust. Luckily for you, I won't write a lot, because I can't think of much to share...

I'm surprised that Youth park still has virgin trails. So it's a good find by Alex. It's been a good run overall. The beriani rice and chicken tastes fantastic, and I'm sure Tod agrees because he cleaned out 3 boxes.

Anyway, I would like to say Thank you to Alex inspector for organising the run and providing us with good food.

Burst 2

About 37.52 hashers, 17 guests and 14 monkeys turned up for the run at Sai Seng corner, the 0.52 was myself who went to the wrong site (Charlie stinky market) so arrived too late for me to go all the way. After a very thorough briefing by Inspector Gadget, off they went into the deep jungle unknown, hashers, guests and explorers all. The first on up was>>> on up, the second on up was>>> on up again, and so on and so forth, till they came to a bit of horizontal and then some on up and on down. Eventually all returned after a great run. The monkeys shitting or was it sitting, on top of various cars and not being very friendly and trying to steal food.

48 Hashers were put on ice, Renata was welcomed back and Spermwhale graced the Dinner Club.

Really superb food was served up by Inspector Gadget, all remarked on the excellent quality and quantity. Subsided beer were appreciated by all.

Another successful hash.

Circle

1. Welcome to the Hare's invitees, Hari who helped set the run, Yoges and Norjan.
2. Welcome to the guests, Period (not pictured), Lillian from Brazil and Anne from New Zealand both doing their virgin Hash runs and they promised to come back.

3. Renata was welcomed back after almost 3 months back in her hometown Poland.
4. Spermwhale was welcomed back to the dinner club after a 3 month absence back home in the UK. Spermwhale claimed he couldn't run anymore because of a bung leg but the Hare suggested he use his "third" leg to help him get around.
5. Drippy Dick was next on ice and welcomed back after being MIA with an apparent injury..... which remained a mystery to everyone.
6. A charge from Botak Chin saw Toddy Tan on ice for making a lot of suspicious noises whilst doing the run. With all the moaning and groaning that could be heard, Botak Chin asked TT what was he actually doing when he was out of sight?

Hash House Harriets Penang

7. Another charge by Botak Chin had Woodpecker on ice for a similar charge, a lot of huffing and puffing during the run and he sounded like the famous “Puffing Billy Train”. Botak Chin asked Woodpecker if he and Toddy Tan were doing something together to cause them to moan & groan and huff & puff?
8. Hare on ice for setting a good run, serving delicious food consisting of tandoori chicken, briyani rice, dahl and raita and his generosity providing many crates of beer. Thank you Inspector Gadget.

Funnies

A five-year-old Mikey asks his Grandpa, “Grandpa, what do you call it when there are two people on top of each other in bed?”

The Grandpa feels very uncomfortable but decides not to confuse the child and bravely says, “That’s intercourse, my boy.”

“OK,” nods Mikey and off he goes.

He comes back after five minutes and says, “Grandpa, that’s not right. I’ve just spoken to mom and she said that it’s not called intercourse but a bunk bed!”

A guy asks his neighbor in an apartment building: “Mr Trepper, you live directly above me and you have the same 2-room apartment as I do. How many rolls of wallpaper did you buy when you moved in?”

“We got 18 rolls,” answers the neighbor.

Two months later the guy meets his neighbor again and says, “It’s really funny I put the wallpaper on everywhere and I still had 10 rolls left over.”

Neighbor smiles, “Yeah, so did we.”

The person who thought it’s a good idea to put the light switch outside of the bathroom clearly didn’t have any siblings.

That awkward moment when your girlfriend says she’s not hungry but ends up eating half of your food after you’ve just ordered for yourself.

My wife left me, went away. At first I was sad, lonely and didn’t know what to do with myself. But I bought a motorbike, threw a wild, loud party and got to meet some other women. I think my wife may not be so pleased when she comes back again from work.

Welcome to the Hash House Harriers 1938 - Mother Hash

80th Anniversary Celebrations, 14th - 16th September 2018

We in Mother Hash have the honour and pleasure to host this event for all hashers around the world to celebrate the 80th Anniversary of our founding in 1938. Ever since then, members of various chapters have spread out and spawned all of our chapters. The humble beginnings of a group of 9 hashers led by A. S. Gispert, has resulted in our large network of nearly 4000 chapters all around the world.

We are a unique community. Though we are individual chapters, but yet we are bonded by a common interest to have a good non-competitive run and socialise afterwards. We have many variations in all parts of the world but we all maintain the core traditions.

So let us all get together for this momentous celebration and make it an event to remember.

The celebrations are over a period of three days with many runs and activities to cater for all. Please watch our website for regular updates.

LOOKING FORWARD TO MEETING YOU ALL!!

- 80th Anniversary Committee

Where will the 80th anniversary be held?

At the **[The Merdeka Stadium \(Independence Stadium\)](#)** Kuala Lumpur, which is the federal capital and most populous city in Malaysia. For those who were here for Interhash 1998 & the 60th anniversary, it is the very same Venue. See Venue link. The city covers an area of 243 km² (94 sq mi) and has an estimated population of 1.6 million as of 2010. Greater Kuala Lumpur, also known as the Klang Valley, is an urban agglomeration of 6.9 million as of 2010. It is among the fastest growing metropolitan regions in the country, in terms of population and economy. Like us on Facebook at <https://www.facebook.com/motherhash>
