GM Note's

Run: 2433

Date: 27 September 2018

Hare: Sayor

Runsite: Bukit Gambir, lower road

The runsetting was delayed to 2pm on the Thursday and I dreaded going in the heat. Gathered to set were Mission Impossible, Beauty Queen, Baipass and Itchy Bai but there was no sign of the hare. Rambo from the IA drove up and handed over some of their logo paper to be laid as well. The Hare had asked permission (out of courtesy) to have a joint trail and site.

The On In was just past the telecoms tower and it was nice and cool once under the shade of the trees. Up and down we went as the trail led towards the top of the ridge. In my haste to leave home I forgot my water bag and Itchy kindly shared his water with me. Thank you so much.

Once on the top we descended the other side on a long On Down towards the farmer's house. All around were Kalamansi limes but on the ground and rotting!! Such a shame!! We followed towards the junction, turned left went up the path and then turned left again. Something was rotting here and the stench made one gag!! We went passed a pack of sleeping dogs and walked until we made a sharp left and went down in the bush only to re-emerge on to rows of banana trunks. All the way down to the bottom of the stream and valley we went only to be then told we had another 'last' On Up to do. At this point we were hot and tired. The water was gone and now we were not sure how long the On Up would be. Taking a deep breath we crossed the stream and up we climbed and climbed and climbed. There seemed to be no end to it! Finally we reached the top and were back on the ridge. After that it was On Down and with aching legs and parched throats we finally emerged at the Chinese Temple and walked back down the road to the runsite.

By this time it was 5.30pm and hashers were already gathering for the evening's run. Botak Chin had started early but there was no sign of the IA members. The Hare had put up a tent in case it rained and it did look as though it would as it became very hazy and overcast. After briefing the Hashers regarding the two logo papers off they all went. Just after the start Frozen Pussy, together with Biking Sheila, arrived and she quickly changed and went in too. At 6.30pm Moira @ Period arrived and started out just as an IA member as came and went in also.

Just past the hour Iceman returned and it was soon clear that he had missed one of the left turns (probably going too fast) and he ended up at the Bkt Gambir Tea House and came back by way of the horse stables thereby missing the last long On Up!! It turns out Marks & Spencer did the same!!

Imposter, Botak Chin and others emerged around 7.30pm claiming it to be a challenging run. Viking and two guests also came out in the dark.

We then got a text from Frozen Pussy to say she was in Farlim as she too must

have missed the paper and not knowing the area she followed the path there. Biking Sheila went off to fetch her and now only Moira and the IA member were to return. It wasn't long before they too were back much to the relief of the GM if not the Hare.

By this time food was served and hungrily eaten and beers consumed and the noise level rose as more IA Dinner Club members arrived.

Out of 28 members, 3 guests and a number of invitees, about 19 people actually started the run, though, as stated above, not all completed it as laid but Kudos to all!!!

Circle

1. Welcome to returning guests Thomas and Mikel from Denmark.
2. The next on ice was Frozen Pussy for losing her way and ending up in Farlim from where she was rescued by Biking Sheila!
3. The GM then put Saylor on ice. He was the Hare of the Day but didn't set his own run saying that he had medical checkup during the day. Or was that mental checkup.....

4. A charge from the floor saw the GM next on ice. Mission Impossible told us of how the GM had called him at 7.30am to say she was having difficulty in getting people to help set the run. "Why think of me at that time of day" he complained!

5. A return charge by the GM put Mission Impossible on ice. She thanked him for sorting out the run and apologised for waking him so early but she could think of no-one else at that time!!

6. Hare on ice. Many thanks to Saylor for his hosting, challenging run, good food and the free beer.

Funnies

Sometimes I drink water - just to surprise my liver.

Hearing voices in your head is normal. Listening to them is quite common. Arguing with them – acceptable. It is only when you lose that argument that you get in real trouble.

Of course I have a talent. I'm really good in bed. Sometimes I sleep more than 9 hours in one go.

According to my mirror I am pregnant. The father is Nutella.

... and out of the chaos, a sentence came to me:

“Laugh and be happy, it could be worse!”

... and so I laughed and was happy and it really became worse.

If you had to decide between a diet and a piece of chocolate, would you prefer dark, white or milk chocolate?
